Mr. Williams:

Thank you for sending the draft.

The extension is acceptable: Randstad US, LLC only, through and including September 18, 2026. It does not extend The RK Logistics Group, Inc. The December 17, 2026 case management conference is unchanged.

I do not authorize you or anyone at your firm to apply, reproduce, or file my signature. I respectfully ask that you not request that again.

I have signed the enclosed counterpart myself (PDF and Word), and I have enclosed a proposed order that is no broader than those terms. Please file the PDFs, or use the Word files if your e-filing workflow requires it. Leave my signature block blank on any version you prepare. Caption the papers to Hon. Thomas Weathers, Department 20 — the case was reassigned August 7.

The September 12 demand remains open through 5:00 p.m. Pacific on September 18, 2026. This stipulation is not an acceptance of that demand and does not change that date. Please confirm in writing by 5:00 p.m. Pacific on September 16, 2026, whether Randstad accepts, counters, or declines.

Please confirm by reply when the stipulation and proposed order are on file, and send the conformed copies.

Regards,

Brendan Ngehsi Newanforbi

Chad,

Thanks again for the calls earlier today and for sending over the stipulation.

I reviewed the document, made a few narrow revisions, and have signed my revised version to avoid another round of back-and-forth. The executed revised stipulation is attached.

The revisions are limited to preserving the parties' existing settlement deadlines and rights, confirming Randstad's position regarding personal jurisdiction and service, and clarifying the September 25 response deadline.

If Randstad agrees to the attached revised stipulation as written, please have defense counsel execute it and proceed with filing it today.

My signature and authorization to file apply to the attached version as written. If Randstad proposes any further substantive changes, please send the revised document back to me before filing rather than using my signature on a modified version.

Thanks,

Brendan

Brendan, this will confirm that we have a settlement agreement in principle for $25k, which is contingent on execution of a written settlement agreement containing standard terms including but not limited to a general release of claims against Randstad and RK; dismissal of the lawsuit with

prejudice as to both defendants; 50% of the Settlement Sum paid as wages and the other 50% paid as 1099 income; and delivery of the checks within 14 days.

As I mentioned on the phone, it will take a few days to prepare the agreement, but I will send it soon.

Best,

Chad,

Thank you for confirming. $25,000 global is agreed; the 50/50 allocation is not. $5,000 as wages and $20,000 as non-wage damages — these claims are principally statutory, and I worked no paid shifts.

Everything else, including payment method and timing, is subject to my review of the complete written agreement. Please send it and I will respond promptly.

Please confirm Melinda Garcia is authorized to agree for The RK Logistics Group, Inc., or ask her to confirm directly. I will not sign a release covering RK without it.

The set-aside stipulation is still not on the docket. My authorization remains limited to the version I signed on September 16.

Regards,

Brendan
