Case No. 26CV191136 **PETITIONER'S NOTICE OF MOTION AND MOTION FOR ISSUANCE OF PEREMPTORY WRIT OF MANDATE** Hon. Jenna M. Whitman, Dept. 25 Hearing: January 8, 2027, 9:00 a.m., Department 25; Reservation No. 958052306492 Action filed May 29, 2026 Trial: Not set

NOTICE OF MOTION

TO RESPONDENTS CALIFORNIA HIGHWAY PATROL AND G. SERRATO, AND TO COUNSEL OF RECORD:

PLEASE TAKE NOTICE that on January 8, 2027, at 9:00 a.m., in Department 25 of the Superior Court of California, County of Alameda, René C. Davidson Courthouse, 1225 Fallon Street, Oakland, California, or at another time set by the Court, Petitioner will seek judgment on the surviving First Cause of Action and issuance of a peremptory writ of mandate under Code of Civil Procedure section 1085 and Penal Code section 679.10. Reservation

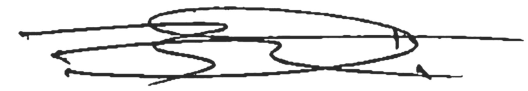

number: 958052306492.

The motion seeks: (1) judgment setting aside Captain G. Serrato's April 20, 2026 denial of Petitioner's Form I-918, Supplement B request and a writ directing reconsideration under the correct statutory criteria, upon the Court's finding of a material abuse of discretion or legal error; (2) if the evidence conclusively establishes every certification condition and leaves no reasonable lawful alternative, a writ directing execution and delivery of the certification; or (3) if resolution requires credibility findings or other material factfinding, an order setting an appropriately focused evidentiary proceeding before merits judgment. Petitioner does not request damages or relief on dismissed causes of action.

The grounds are that CHP was presented with a specific claim of qualifying false imprisonment and unlawful criminal restraint, supported by the contemporaneous incident record; the verified Answer and agency-produced reports identify materially disputed accounts of the custody decision; and a refusal under Penal Code section 679.10 must be a lawful exercise of certification authority rather than a decision resting on material factual error or application of an improper legal standard. The conditional duty to certify arises when qualifying victimhood and helpfulness are established. (Pen. Code, § 679.10, subds. (c), (g), (h), (k).)

The motion is based on this notice and memorandum, the verified petition, Respondents' Answer dated October 12, 2026, and the August 29, 2026 demurrer order (court-file documents identified in Petitioner's separate request for judicial notice), Petitioner's concurrently filed declaration and its Exhibits A--I (Appendix of Exhibits, App. 001--082), the original recording upon its proper lodging and admission, and such other admissible evidence and argument as the Court receives. The proposed judgment and writ are lodged separately pursuant to rule 3.1113(m) of the California Rules of Court.

I. INTRODUCTION

This proceeding concerns CHP's statutory certification decision. On April 9, 2026, Petitioner submitted Form I-918, Supplement B and supporting materials asking CHP to certify his helpfulness concerning unlawful restraint and false imprisonment during a November 1, 2024 encounter. Captain Serrato's April 20 letter rejected qualifying and substantially similar criminal activity. The surviving First Cause of Action asks whether that determination was a lawful exercise of authority under Penal Code section 679.10. It is not a claim that an officer's every unconstitutional act automatically qualifies for certification.

A discrete conflict in CHP's account warrants particular attention. CHP Form 202 describes Petitioner as choosing not to perform the walk-and-turn because he found it difficult and incorporates field-test performance into its custody rationale. The transcript submitted with the certification request, however, records Petitioner expressing willingness to attempt that test and Officer Melano advising against its administration because the freeway shoulder was uneven. (Ex. C, CHP 202, AGO 000031--000032 [App. 030--031]; Ex. F, printed p. 9 [App. 069], approximately 01:10:14--01:10:30.) The original recording--not the litigant's characterization--should control. This conflict bears directly on the reliability of a stated basis for the restraint. The Court must evaluate its materiality alongside the evidence supporting and contesting the asserted lawful authority for custody.

The Court preserved Count One at the pleading stage, expressly recognizing that proof contradicting the officers' claimed impairment observations could support a finding of absent probable cause and an abusive refusal to certify. (Order Sustaining Demurrer in Part, Aug. 29, 2026, pp. 3--4.) Petitioner seeks a decision on that actual question. He principally requests vacatur and reconsideration if material abuse is found, while preserving direct certification only on findings establishing the statutory predicates and a single permissible result.

II. THE REQUEST, DECISION, AND CHP'S VERIFIED ADMISSIONS

CHP admits that its officers approached Petitioner's stationary car on the I-580 shoulder as a welfare check, that the car was not moving when observed, and that the encounter was substantially recorded by a dashcam. (Respondents' Verified Answer, Oct. 12, 2026 ("Answer"), ¶¶ 34--35.) CHP further admits the officers initially questioned a cup's contents and subsequently identified that liquid as urine. (Answer ¶¶ 36, 47.) This is significant because it objectively resolves what that particular cup held; it does not purport to adjudicate the source of every alleged sensory observation.

CHP also admits the officers did not tell Petitioner they smelled alcohol emanating from him or his vehicle, did not tell him his speech was slurred, hesitant, or impaired, and that Petitioner correctly identified Livermore and read highway signs aloud. (Answer ¶¶ 37, 45--46.) These are admissions about the officers' statements and documented conduct, not concessions that the officers could not have perceived an odor or visual impairment signs. CHP acknowledges that the officer's report checked the box for alcoholic beverage presence and that an empty can of Mike's Hard Lemonade was located. (Answer ¶ 47.) The Court can evaluate the probative weight and chronology of these distinct items without conflating the urine cup with the separate empty can.

On April 9, Petitioner transmitted his certification request and incident exhibits. CHP admits the email was sent with exhibits. (Answer ¶ 58; Ex. B [App. 003--025].) Its April 20 letter asserts that a review was conducted, rejects qualifying criminal activity under section 679.10 and federal U-visa law, and also rejects substantially similar activity. (Ex. A [App. 002].) The letter does not identify lack of helpfulness as the reason for refusal. This motion challenges the legality of that qualifying-activity conclusion, not merely the length of the response.

III. THE GOVERNING DUTY AND STANDARD OF REVIEW

California expressly lists false imprisonment and unlawful criminal restraint among the qualifying activities. (Pen. Code, § 679.10, subds. (c)(18)--(19), (d).) Upon request, the certifying official "shall certify victim helpfulness" when a person was the victim of qualifying criminal activity and has been, is being, or is likely to be helpful to its detection, investigation, or prosecution. (Id., subd. (g)(1).) Subdivision (h) establishes a rebuttable helpfulness presumption where the victim has not refused or failed to provide reasonably requested assistance. The statute does not condition certification on an investigation remaining open, charges, arrest of a suspect, prosecution, or conviction. (Id., subd. (k)(1).) Nor may an

official deny for reasons forbidden by subdivision (k)(3), including cooperation or refusal to cooperate in a separate case. These rules are concrete limits on certification discretion, not substitutes for proof of qualifying victimhood.

Under Code of Civil Procedure sections 1085 and 1086, traditional mandate may enforce a duty imposed by law and correct a material abuse of discretion when ordinary remedies are inadequate. A court may require an official to act under the governing law; it ordinarily does not select among genuinely lawful discretionary outcomes. (Common Cause v. Board of Supervisors (1989) 49 Cal.3d 432, 442--443; Saleeby v. State Bar (1985) 39 Cal.3d 547, 560--562.) When only one outcome is lawfully reasonable after facts are established, the writ may compel that result. (California Correctional Supervisors Organization, Inc. v. Department of Corrections (2002) 96 Cal.App.4th 824, 827.) Petitioner's direct personal interest and the absence of another remedy that supplies the requested certification satisfy sections 1085--1086.

IV. THE QUALIFYING CRIME IS UNLAWFUL PERSONAL RESTRAINT ; THE RECORD REQUIRES ITS ELEMENTS TO BE DECIDED

False imprisonment is the unlawful violation of another's personal liberty. (Pen. Code, § 236.) Penal Code section 146(a) separately identifies arrest or detention against a person's will by a public officer acting under color of legal authority without lawful authority; to the extent CHP evaluates section 146(a) as a substantially similar criminal restraint offense under section 679.10(d), its actual elements and the alleged conduct must be assessed. Petitioner was handcuffed, involuntarily transported and held in custody. (Ex. C, CHP 202, AGO 000031--000033 [App. 030--032]; Answer ¶¶ 38--39; Newanforbi Decl. ¶¶ 2, 5--6.) That restraint was intentional; the decisive issue is lawful authority for it. The criminal-activity theory does not turn on whether the officers were later charged or prosecuted. (Pen. Code, § 679.10, subd. (k)(1).)

The contemporaneous recording, where properly authenticated and compared with the officer's report, bears materially on lawful authority. Before any sobriety investigation, the officers approached a stationary vehicle as a welfare inquiry. In the transcript, Officer Melano directed Petitioner to lower the window at approximately 00:56:40, then opened the passenger door three seconds later. The officers' inquiry thereafter developed into detention, tests, handcuffing and custody. (Ex. F, 00:56:07--00:59:46 [App. 062--064], 01:10:14--01:11:33 [App. 069--070].) Petitioner asks the Court to distinguish lawful welfare assistance from subsequent compulsory restraint and to evaluate the justification existing at each relevant stage. The initial passenger-door opening is not asserted to be an independently enumerated U-visa offense; it is evidence bearing on the encounter's progression and the alleged restraint. The transcript first places the dispatch discussion of parole at approximately 01:11:42, after the earlier opening of the front and rear passenger doors. (Ex. F, 00:56:43 [App. 062], 00:59:46 [App. 064], 01:11:42 [App. 070].) The CAD log separately records, at 01:07:29 a.m., a dispatch-entered comment reporting an NCIC parole return (Ex. D, AGO 000022 [App. 054], entry [7]), several minutes before the parole discussion the transcript places at approximately 01:11:42. The log shows only that the entry was made in the CAD system; it does not show whether, when or how that information was transmitted to or received by either officer, and the entry's confirmation column is blank. Officer knowledge of parole status before any search or arrest therefore remains a fact to be established from the recording, radio traffic or testimony; Petitioner asks the Court to infer neither knowledge nor ignorance from the log entry alone. Later-acquired knowledge of a search condition cannot itself retrospectively justify a prior search. (People v. Sanders (2003) 31 Cal.4th 318, 330--332.) This chronology is offered for its bearing on the authority asserted at the time, not as a separate cause of action for a vehicle search.

The officers did not observe Petitioner driving. (Answer ¶ 34.) Vehicle Code section 40300.5 permits specified exceptions to the in-presence rule for warrantless misdemeanor DUI

arrests, but an arrest based on earlier driving must satisfy the applicable statutory circumstances and reasonable-cause standard. The record identifies a stationary vehicle on a freeway shoulder; it does not, simply by those words, establish roadway obstruction or another statutory exception. (Veh. Code, § 40300.5; see Mercer v. Department of Motor Vehicles (1991) 53 Cal.3d 753, 768--769 [driving requires volitional movement].) The agency must identify the applicable facts supporting lawful authority rather than equate the encounter's DUI label with an answer to the qualifying-restraint allegation.

V. THE MOST PROBATIVE DOCUMENTED DISCREPANCY IS THE WALK-AND-TURN ACCOUNT

CHP Form 202 states: "Walk and Turn: Newanforbi chose not to perform this test and related it was difficult." It later incorporates "poor performance on the FST's" into the arrest analysis. (Ex. C, AGO 000031--000032 [App. 030--031].) The submitted transcript records Petitioner saying, "I mean I think we can do that" at 01:10:23, followed by Melano's concern that "it's on the side of the freeway and it's like uneven ground. I wouldn't do that one," and his partner's acceptance of that assessment. (Ex. F, printed p. 9 [App. 069], 01:10:14--01:10:30; Newanforbi Decl. ¶ 4.)

That sequence is not an effort to relabel an earlier one-leg-stand discussion. It concerns a separate proposed walk-and-turn that the officers, rather than Petitioner, decided not to administer. If the original recording corroborates the exchange, the report materially misattributes the reason for nonperformance and cannot fairly count that nonperformance as Petitioner's failure. The Court should compare the native video, contemporaneous report and witness testimony. In determining whether the resulting certification rejection can stand, a material error in a stated basis for the arrest warrants more than automatic deference to the report's characterization.

VI. A VOLUNTARY PAS REFUSAL DOES NOT SUPPLY AN INFERENCE OF GUILT

The transcript records Meza-Gonzales advising that the roadside preliminary alcohol screening test was not required, Petitioner's refusal at approximately 01:11:15, and the immediate direction to turn around. (Ex. F, printed p. 10 [App. 070], approximately 01:10:54--01:11:33; Newanforbi Decl. ¶ 5.) Section 23612 expressly requires advice of the right to decline PAS. (See Veh. Code, § 23612, subds. (h)--(i).)

The First District held in People v. Jackson (2010) 189 Cal.App.4th 1461 that it was error to admit refusal of a voluntary PAS as consciousness-of-guilt evidence at a DUI trial, because doing so would undermine the statutory right to refuse. The holding concerned evidentiary use at trial and did not itself decide every possible prearrest reasonable-cause application. Its controlling distinction nonetheless defeats treatment of exercising that legislatively protected choice as a substitute for objective evidence of criminal conduct. The Court should evaluate what information actually supported custody before the refusal, rather than deriving an adverse inference merely from the exercise of the statutory choice. (Id. at pp. 1465--1470; Veh. Code, § 23612(i).)

VII. THE COURT SHOULD ASSESS THE TOTALITY ON THE RECORD ACTUALLY PROVED, WITHOUT RETROSPECTIVE SUBSTITUTES

Petitioner does not ask for a finding of unlawful arrest from the failure to file charges. Nor does he propose retroactive invalidation of prearrest probable cause from a blood draw at 02:38 a.m. The produced laboratory record reports 0.073 ± 0.004 g% ethanol at that later collection time; it does not establish a scientifically defensible earlier concentration absent additional foundation, nor does it decide impairment under Vehicle Code section 23152(a). (Ex. C, AGO 000033--000034 [App. 032--033].) The subsequent judicial warrant authorized

acquisition of evidence at its time of issuance; its existence does not replace analysis of what was known at the earlier arrest.

Similarly, the section 851.6 certificate is an official custody-classification document, relevant to the incident and absence of a filed complaint but not a judicial judgment that the officers lacked probable cause. (Ex. G [App. 077]; Pen. Code, §§ 849.5, 851.6.) These limits prevent later events from obscuring the concrete prearrest evidence. They also avoid confusing certification with a criminal prosecution of the officers: Penal Code section 679.10 requires a qualifying-activity finding, not a prior conviction.

CHP's Answer and production are significant because they permit precise tests of the incident account rather than speculation about motive. CHP's statutory evaluation must rest on a sound understanding of the asserted offense, the officers' actual conduct, and materially reliable evidence. A legitimate welfare inquiry or initial DUI investigation is not categorically inconsistent with later criminally unlawful restraint. The Court should adjudicate the question on the actual chronology.

VIII. SERRATO'S QUALIFYING-ACTIVITY DETERMINATION MUST WITHSTAND REVIEW ON ITS MATERIAL FACTUAL BASIS

The April 20 decision denies qualifying and substantially similar activity. (Ex. A [App. 002].) If the factfinder credits the objective recording and determines that materially false report statements supplied the unlawful custody rationale, it may conclude that the agency's refusal to recognize qualifying restraint was an arbitrary or legally erroneous application of section 679.10. Judge Whitman's August 29 order expressly preserved Count One on that premise. (Order, pp. 3--4.) The critical connection is between a proved error bearing on lawful custody and the statutory victimhood decision, not a demand that Serrato write a longer letter.

CHP's Verified Answer supplies admissions bearing on that evaluation: the vehicle was stationary; the officers initially treated the cup as suspect but identified it as urine; they did not verbally disclose an odor allegation or tell Petitioner his speech was impaired; and Petitioner correctly identified his location and read signs. (Answer ¶¶ 34--37, 45--47.) These admissions narrow the factual inquiry and permit the Court to test the officer narrative against the recorded sequence. The additional walk-and-turn comparison provides a specific, independently checkable inconsistency. Its significance is not that one discrepancy automatically proves a crime, but that the certifying decision must not rest on a materially inaccurate account of the confinement.

Petitioner does not assert knowledge of Serrato's undisclosed deliberations. The produced records (Exs. C--E, I) and CHP's privilege log (reserved for the separate discovery track and not attached) establish the existence and dates of produced and withheld materials, not the contents of privileged writings or what Serrato privately considered on April 20. (Newanforbi Decl. ¶¶ 8, 11--13, 17--18.) CHP's beat assignment sheet for the October 31, 2024 shift lists Captain Serrato as the on-call commander and assigns Officers Melano and Meza-Gonzales to beat 68, the unit shown on the CAD log. (Ex. I [App. 082]; Ex. D [App. 054].) Petitioner draws no inference from that entry beyond its face; it does not show that Captain Serrato was contacted about this arrest. No finding of legal error is sought merely because the denial letter is brief or an internal memorandum bears a later date. Instead, Petitioner requests relief on affirmative facts the Court finds established and material to the no-qualifying-activity determination.

IX. THE HELPFULNESS REQUIREMENT IS SUPPORTED BY THE SUBMITTED COMPLAINT AND WILLINGNESS TO ASSIST

Petitioner made complaints to CHP and POST, provided a timeline and transcript of the incident, identified the specific officers and supplied incident records with his certification

request. He remains willing to supply truthful information and reasonable assistance concerning the alleged unlawful restraint. (Newanforbi Decl. ¶¶ 7, 10, 16; Ex. B [App. 003--025]; Ex. H [App. 078--080].) CHP's Answer denies that an investigating entity requested information from Petitioner. (Answer ¶ 57.) The statutory presumption of helpfulness applies where a victim has not refused or failed to provide reasonably requested assistance. (Pen. Code, § 679.10, subd. (h).)

The relevant assistance concerns detection or investigation of the qualifying activity alleged against the officers. Declining a voluntary PAS during a DUI investigation of Petitioner is not, by itself, a refusal to aid investigation of the alleged unlawful restraint. Nor may a separate-case cooperation decision become a forbidden reason for denying certification. (Id., subd. (k)(3)(H).) Once qualifying victimhood is established, these facts independently support helpfulness and the conditional certification obligation; they do not create qualifying victimhood by themselves.

X. JUDGMENT, REMAND, OR A FOCUSED DETERMINATION OF ESSENTIAL FACTS

The Court may enter judgment granting traditional mandate when the proven facts establish a material abuse of certification discretion. (Code Civ. Proc., §§ 1085--1086; Common Cause, supra, 49 Cal.3d at p. 442.) In the first instance, Petitioner requests that the Court set aside the April 20 refusal and direct CHP's authorized official to reconsider the request in accordance with the Court's actual findings, the enumerated offense definitions, and the nonprosecution/helpfulness provisions of Penal Code section 679.10. A remand would leave genuinely discretionary determinations to CHP and require compliance with the material finding that made the prior decision unlawful.

If the Court instead finds the alleged qualifying offense and helpfulness conclusively

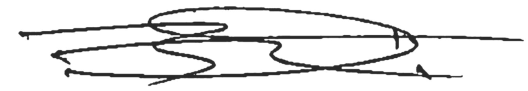

established and no reasonable lawful disposition other than certification, it may direct certification itself. (California Correctional Supervisors Organization, supra, 96 Cal.App.4th at p. 827.) Direct certification is sought only on those findings, not simply from submission of the request.

If the Court cannot resolve genuinely material factual disputes on this motion, it should set an evidentiary procedure focused on the disputed grounds for restraint, the accuracy of the report where material to the custody decision, and the statutory criteria. Code of Civil Procedure section 1094 permits noticed-motion judgment when no triable factual issue remains or decision rests solely on an administrative record. Section 1090 governs trial of essential factual issues raised by a return. For informal administrative action subject to traditional mandate, California law permits relevant extra-record evidence where facts are contested. (Western States Petroleum Assn. v. Superior Court (1995) 9 Cal.4th 559, 575--576.) Any presentation remains subject to authentication and the ordinary evidence rules. Petitioner requests the narrowest procedure necessary to reach a final determination on Count One.

XI. CONCLUSION

Petitioner respectfully requests judgment on Count One and a peremptory writ vacating the April 20 denial and directing lawful reconsideration upon a finding of material abuse of discretion or legal error. Alternatively, if all certification conditions are established and discretion permits no other lawful outcome, he requests execution and delivery of Form I-918 Supplement B. If essential factual disputes prevent judgment on this record, he requests a focused evidentiary hearing or trial-setting order. Petitioner seeks no relief on dismissed claims and no adjudication of immigration status.

CALIFORNIA HIGHWAY PATROL; G. SERRATO, in his official capacity as Captain and Commander of CHP Dublin Area,

Respondents.

Case No. 26CV191136

DECLARATION OF BRENDAN NGEHSI NEWANFORBI IN SUPPORT OF MOTION FOR PEREMPTORY WRIT OF MANDATE

Hon. Jenna M. Whitman, Dept. 25
Hearing: January 8, 2027, 9:00 a.m., Department 25; Reservation No. 958052306492
Action filed May 29, 2026
Trial: Not set

I, Brendan Ngehsi Newanforbi, declare:

1. I am the petitioner in this action, identified in the caption as Brendan Ngehsi Newanforbi. The following statements are based on my personal observations, records I prepared, sent or received, and documents delivered to me in this lawsuit. I could competently testify to them. I do not claim personal knowledge of what CHP officers privately observed or of what Captain Serrato internally reviewed.

2. On November 1, 2024, I was in a rented Tesla Model Y parked on the shoulder of Interstate 580 eastbound near Isabel Avenue in Livermore. I had stopped because I was tired

and fell asleep. The vehicle was not moving when the officers approached. I remember being awakened during their contact and answering questions. I did not consent to being arrested, handcuffed, transported or held in jail.

3. I recall Officer Melano directing me to lower or open the passenger window and the passenger door being opened before I had done so. I answered questions about where I had been and where I was, and participated in certain roadside exercises. I do not offer any expert interpretation of the HGN or time-estimation tests. The original recording, not my recollection, should control exact words and chronology.

4. The officers proposed a walk-and-turn test after earlier, distinct exercises and discussions. My recollection is that I expressed willingness to try it. Officer Melano then raised concern about conducting that test on the uneven freeway shoulder, and it was not administered. I distinguish this from the earlier discussion of the one-leg stand. My transcript (Exhibit F) places that exchange at approximately 01:10:14--01:10:30 (Ex. F, printed p. 9 [App. 069]).

5. I was told that the roadside preliminary alcohol screening (PAS) test was not required. I declined that voluntary test. I was then directed to turn around and was handcuffed, transported and taken into custody. My refusal of the roadside PAS was distinct from any later discussion of an evidentiary chemical test after arrest; I do not assert that no later chemical-test discussion occurred.

6. I was held in custody and released on November 5, 2024. To my knowledge, no criminal charge arising from the November 1 encounter has been filed against me. [VERIFY THROUGH SIGNING DATE.]

7. I reported my concerns about the officers' conduct to CHP and to the California

Commission on Peace Officer Standards and Training (POST). I remain willing to supply truthful information and reasonable assistance concerning the alleged unlawful restraint. To my knowledge I have not refused or failed to provide information or assistance reasonably requested of me in an investigation of that alleged conduct. This paragraph concerns the alleged qualifying activity against me, not what I agreed or declined to do during CHP's investigation of me for suspected DUI.

8. I do not know from personal observation which items Captain Serrato read, which officers he interviewed, what review file he maintained, or what rationale beyond the denial letter he used. I do not assert the contents of any document CHP has withheld.

EXHIBITS. Exhibits A through I are bound in the accompanying Appendix of Exhibits, which begins with an index. "App." numbers are stamped at the bottom right of each appendix page. Each exhibit is reproduced complete, in the order received or filed, without alteration of content except as follows: the only additions are the exhibit slip sheets, a Bates index for Exhibit C, the App. page stamps, and a machine-readable text layer on scanned pages; and, consistent with California Rules of Court, rule 1.201, I have redacted personal identifiers (date of birth, driver license number, alien registration number, booking and PFN numbers, license plate number, and a third party's personal telephone number) and the offense codes and descriptions in criminal-history entries. Redacted areas appear as solid black boxes, some marked "[REDACTED]." Unredacted copies are available to the Court on request.

9. Exhibit A (App. 001--002) is a true copy of the April 20, 2026 letter from Captain G. Serrato, Commander, CHP Dublin Area, denying my April 9, 2026 request for Form I-918 Supplement B certification. I recognize it because I received it in response to my request; it is addressed to me at my Stockton address, bears CHP File No. 390.18437.17620.26-050, refers to my request "Dated: April 9, 2026," and is signed over Captain Serrato's name. I received it by [METHOD AND DATE OF RECEIPT--TO BE COMPLETED BY DECLARANT]. I

attached the same document as Exhibit 1 to my verified petition; the copy here is reproduced from page 45 of the petition as filed.

10. Exhibit B (App. 003--025) is a working copy of my April 9, 2026 certification submission, reconstructed from my verified petition as filed: the request letter and supporting legal analysis, the Form I-918 Supplement B I prepared for CHP's signature (petition PDF pp. 47--66, including the petition's own exhibit cover sheets), and my April 9, 2026 2:00 p.m. transmittal e-mail to Sergeant Dutra, copied to Captain Serrato, with Lieutenant Paul's April 10, 2026 acknowledgment reply (petition PDF pp. 145--146). I recognize these as the documents I prepared and sent and the reply I received. [BEFORE SIGNING: compare Exhibit B page by page against the as-sent April 9 e-mail and its attachments in my sent mail; state here whether every page matches, and identify any page that differs or any attachment that was sent but is not reproduced.] Until that comparison is complete, Exhibit B is offered as a working copy pending as-sent verification.

11. Exhibit C (App. 026--052) is a true copy of the document set delivered to me on October 23, 2026 by respondents' counsel, the California Department of Justice, in response to my document requests in this action, as production Exhibit 5, Bates-numbered AGO 000029 through AGO 000053 (25 pages). It is reproduced complete and in produced order, preceded by a one-page Bates index I prepared for convenience (App. 027). I recognize it because I received it as part of that production and the Bates numbers and file name match the production as delivered. I did not author these records and do not vouch for the truth of their contents; I offer them as the agency's own account of the arrest. (Evid. Code, § 1400 et seq.; see also Evid. Code, § 1414.)

12. Exhibit D (App. 053--056) is a true copy of the CHP Incident Detail Report for Incident No. 241101GG0064, Bates-numbered AGO 000022--000024 (3 pages), received in the same October 23, 2026 production as production Exhibit 3. I recognize it for the same

reasons stated in paragraph 11, and offer it on the same basis.

13. Exhibit E (App. 057--059) consists of true copies of the CHP 415 daily activity records for October 31, 2024 for Officer S. Meza-Gonzales (ID 023295) and Officer J. Melano (ID 023054), received in the same October 23, 2026 production as production Exhibits 8 and 11. I recognize them for the same reasons stated in paragraph 11, and offer them on the same basis.

14. Exhibit F (App. 060--075) is a true copy of the 15-page timestamped transcript I prepared from the November 1, 2024 CHP audiovisual recording, as filed as Exhibit 5 to my verified petition (petition PDF pp. 68--82). I prepared it by listening to the recording and transcribing what I heard. Speaker attributions and bracketed descriptions are my own and are not statements by the officers or CHP-certified. It is not a substitute for the original recording, which should control. This is the edition I submitted with my April 9, 2026 request. [BEFORE SIGNING: confirm against the as-sent April 9 attachment that this 15-page edition, and not a later edition, is the one sent.] I do not offer the separate 19-page edition as the April version.

15. Exhibit G (App. 076--077) is a true copy of the Penal Code section 851.6 detention certificate issued by CHP Dublin (Dublin CHP-01991), naming me, which I received after my release. I recognize it because it was given to me by CHP, it bears my name and city, and I attached it as Exhibit 7 to my verified petition; the copy here is reproduced from page 90 of the petition as filed. I rely on it only as a record of how the custody was later classified, not as a judicial finding.

16. Exhibit H (App. 078--080) consists of true copies of correspondence I received concerning my complaints: CHP Dublin Area's March 26, 2026 letter (File No. 390.18437.17620) assigning Sergeant Eric Dutra to investigate, and POST's acknowledgment letter regarding Case No. PUBLIC-26-000371 (March 23, 2026). I recognize them because

they were sent to me in response to my complaints and I attached them as Exhibits 11 and 12 to my verified petition; the copies here are reproduced from pages 141 and 143 of the petition as filed. The underlying complaints I submitted are not attached. [LOCATE AND ATTACH OR DESCRIBE THE COMPLAINTS AS SUBMITTED, IF AVAILABLE.]

17. Exhibit I (App. 081--082) is a true copy of the CHP Dublin Area beat assignment sheet dated October 31, 2024, Bates-numbered AGO 000025, received in the same October 23, 2026 production as production Exhibit 4. I recognize it for the same reasons stated in paragraph 11. The black redaction boxes and yellow highlighting appear on the copy as produced; I did not add them.

18. I have not attached the October 23, 2026 production transmittal, CHP's privilege log, my requests for production or their proofs of service, the federal screening order, Respondents' Answer, or this Court's August 29, 2026 order. Court-file documents are the subject of a separate request for judicial notice; the native recordings are addressed by separate lodging; and discovery materials are reserved for any discovery motion. I understand that the court's September 8, 2026 filing confirmation for my lodging papers records the related proof of service as rejected, and I do not represent that any recording has been lodged effectively or received in evidence.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Re: Request for I-918 Supplement B Certification, Dated: April 9, 2026

Dear Mr. Newanforbi:

Recently, you requested that the California Highway Patrol (CHP) Dublin Area certify your Form I-918 Supplement B, U Nonimmigrant Status Certification, stemming from an incident that occurred on November 1, 2024. A thorough review of this incident was conducted. Unfortunately, this incident does not meet the standard of qualifying criminal activity identified in Section 679.10 of the California Penal Code (PC), nor does it meet the standards of the Immigration and Nationality Act Section 101(a)(15)(U)(iii). Additionally, this review found no substantially similar qualifying criminal activity as defined in Section 679.10(d) PC. Therefore, your request to certify your Form I-918, Supplement B, U Nonimmigrant Status Certification, was denied.

If you have any additional questions, please contact Lieutenant Gary Paul at the CHP Dublin Area at (925) 828-0466.

Sincerely,

G. SERRATO, Captain

POST Complaint No.: PUBLIC-26-000371
A-Number: 203-115-087

Dear Sergeant Dutra:

I write respectfully to request that you, as the assigned certifying official, execute the enclosed Form I-918 Supplement B, U Nonimmigrant Status Certification, in connection with CHP File No. 390.18437.17620. This request is made pursuant to the Victims of Trafficking and Violence Protection Act of 2000 (VTVPA), 8 U.S.C. § 1101(a)(15)(U), and the mandatory certification provisions of California Penal Code § 679.10, as strengthened by AB 1261 (Stats. 2023, Ch. 679), effective January 1, 2024.

I am writing to you specifically because Captain G. Serrato's March 26, 2026 letter designated you as the assigned investigator for my citizen complaint. Additionally, the Commission on Peace Officer Standards and Training (POST) forwarded my complaint to CHP on March 23, 2026, under Case No. PUBLIC-26-000371, confirming that the matter is under active agency review. The enclosed Supplement B form has been pre-filled with the factual information required under the federal regulations and is ready for your review and signature.

I. CALIFORNIA LAW MANDATES CERTIFICATION

California Penal Code § 679.10 imposes affirmative, non-discretionary obligations on state law enforcement agencies—including CHP—to process U visa certification requests. Specifically:

> **Mandatory Processing:** Under § 679.10(j), a certifying entity "shall process a Form I-918 Supplement B certification within 30 days of request." This is not a discretionary guideline; it is a legislative mandate.
>
> **Rebuttable Presumption of Helpfulness:** Under § 679.10(h), there is a "rebuttable presumption that the victim is helpful, has been helpful, or is likely to be helpful" if the victim has not refused or failed to provide information and assistance reasonably requested by law enforcement. I have not refused any such request. To the contrary, I have affirmatively cooperated at every stage.
>
> **No Prosecution Required:** Under § 679.10(k), "a current investigation, the filing of charges, closing of a case, and a prosecution or conviction are not required for the victim to request and obtain the Form I-918 Supplement B certification." The CHP's investigation need not be complete—nor need it result in prosecution—for the certification to issue.
>
> **Limited Grounds for Withdrawal:** Under § 679.10(l), a certifying official "may only withdraw the certification if the victim refuses to provide information and assistance when reasonably requested." No such refusal has occurred here.

The California Attorney General's Information Bulletin No. DLE-2024-05, issued to all state and local law enforcement agencies, reaffirms these obligations and encourages agencies to "be vigilant in identifying and supporting immigrant crime victims who may be eligible for U visas."

II. THE STATUTORY ELEMENTS ARE SATISFIED

To obtain a U visa certification, three elements must be established: (1) the petitioner is a victim of qualifying criminal activity; (2) the petitioner possesses information concerning the criminal activity; and (3) the petitioner has been helpful, is being helpful, or is likely to be helpful in the investigation or prosecution. Each element is met here.

A. Qualifying Criminal Activity

On November 1, 2024, on Interstate 580 East in Livermore, Alameda County, CHP Officers Santiago Meza-Gonzalez (#023295) and Jose Melano (#023054) subjected me to criminal conduct constituting multiple qualifying offenses under 8 U.S.C. § 1101(a)(15)(U)(iii), including:

> **False Imprisonment / Unlawful Criminal Restraint** (Cal. Penal Code § 236)—I was unlawfully arrested, handcuffed, and detained; the arrest was subsequently reclassified as a "detention" in a revised report, an implicit acknowledgment that the initial restraint was without legal justification;
>
> **Felonious Assault / Battery** (Cal. Penal Code § 242)—an involuntary blood draw was performed on my person based on a misrepresented warrant, constituting an unlawful application of force;

Obstruction of Justice (analogous to Cal. Penal Code §§ 118, 182)—the officers fabricated sworn arrest reports that are directly contradicted by the CHP's own dashcam recording, constituting the creation of false evidence under penalty of perjury; and

Perjury (Cal. Penal Code § 118)—false statements in sworn reports contradicted by objective dashcam evidence.

Each of these offenses is independently enumerated as qualifying criminal activity under the VTVPA. The dashcam transcript—objective, contemporaneous evidence in CHP's own custody—corroborates these allegations and directly contradicts the officers' written reports.

B. Possession of Information

As the direct victim and sole civilian percipient witness to the November 1, 2024 incident, I possess firsthand information regarding every aspect of the qualifying criminal activity. I have gathered and preserved key evidence, including the dashcam transcript, the arrest report, and the certificate of detention—all of which I have made available to CHP through this complaint process.

C. Helpfulness

I have been helpful, am currently being helpful, and am likely to continue being helpful in the investigation of this criminal activity. My cooperation includes: filing the citizen complaint that initiated this investigation (File No. 390.18437.17620); filing a separate complaint with the Commission on Peace Officer Standards and Training (POST Case No. PUBLIC-26-000371); participating in DMV administrative proceedings related to the incident; gathering and preserving the dashcam transcript as objective evidence; and presenting all evidence to CHP and related agencies. At no time have I refused or failed to provide information or assistance reasonably requested by any investigating entity.

Under § 679.10(h), these facts create a rebuttable presumption of helpfulness that can only be overcome by evidence that I have refused to cooperate. No such evidence exists.

III. SUBSTANTIAL PHYSICAL AND MENTAL ABUSE

I have suffered substantial physical and mental abuse as a direct result of the qualifying criminal activity, including: physical pain from forcible handcuffing and an involuntary blood draw; the trauma and humiliation of an unlawful arrest and incarceration; extended detention triggered by a fabrication-induced parole hold; severe and ongoing emotional distress and anxiety; complete loss of my Commercial Driving License and livelihood for one full year (DMV suspension effective February 20, 2025 through February 19, 2026); and lasting reputational and economic harm that continues to this day. These consequences are well-documented in the record before CHP.

IV. IMPORTANT CLARIFICATIONS FOR THE CERTIFYING OFFICIAL

I respectfully call your attention to several points the Department of Homeland Security and the California Attorney General have emphasized for certifying officials:

Signing the certification does not grant a visa. The Form I-918 Supplement B is not a visa approval. It is a factual certification that the individual is or was a victim of qualifying criminal activity and has been helpful. USCIS independently adjudicates the visa petition, conducts a full background check, and makes all eligibility determinations. The certifying official's signature carries no immigration consequences standing alone.

This certification concerns the officers' conduct, not the outcome of the complaint. The standard is whether the petitioner is a victim of qualifying criminal activity and has been helpful—not whether the investigation has concluded or discipline has been imposed. California law is explicit that no prosecution, conviction, or even a pending investigation is required.

CHP has a public-safety interest in certifying. As the DHS U Visa Law Enforcement Resource Guide emphasizes, certifying U visa petitions builds trust within communities, encourages crime reporting, and strengthens law enforcement's ability to detect, investigate, and prosecute criminal activity. CHP's cooperation here advances these goals.

V. TIME-SENSITIVE REQUEST AND 30-DAY STATUTORY DEADLINE

Please be advised that California Penal Code § 679.10(j) requires the certifying entity to process this certification request within 30 days of receipt. I respectfully request that CHP treat this letter as the formal date of request for purposes of the statutory clock. Accordingly, the deadline for processing this certification is **no later than May 9, 2026**.

Should CHP determine that it cannot certify this request, § 679.10(g) requires the certifying entity to provide "a written explanation of the specific reasons for the denial." A generalized or pro forma denial would not satisfy this statutory obligation.

VI. ENCLOSURES

Enclosed for your review and execution please find:

1. Completed Form I-918 Supplement B (unsigned, ready for signature)
2. POST Letter of Acknowledgment, Case No. PUBLIC-26-000371 (dated 03/23/2026)
3. CHP Complaint Assignment Letter from Captain Serrato (dated 03/26/2026)
4. Request for Certification and Supporting Legal Analysis (attached separately)

I appreciate your time and attention to this matter. This request is made in good faith and in the spirit of the legislative policy underlying both the VTVPA and California's Immigrant Victims of Crime Equity Act: that immigrant victims of crime who cooperate with law enforcement should have meaningful access to the protections Congress and the California Legislature have provided.

I remain available to provide any additional information you may require. You may reach me at the address and telephone number listed above, or by email at bnn.cdl@gmail.com. I look forward to your timely response within the statutory period.

Respectfully submitted,

CHP File No. 390.18437.17620 | POST Case No. PUBLIC-26-000371

Date: April 9, 2026

Re: Evidentiary Basis for Certification of Form I-918 Supplement B

I. PURPOSE AND SCOPE

This memorandum provides a comprehensive evidentiary analysis in support of the enclosed Form I-918 Supplement B, U Nonimmigrant Status Certification. It is directed to Sergeant Eric Dutra in his capacity as the assigned investigator for CHP Citizen Complaint File No. 390.18437.17620 and as the designated certifying official on the enclosed Supplement B form.

The purpose of this memorandum is to demonstrate, through contemporaneous documentary evidence already in CHP's possession or attached hereto, that each statutory element for U visa certification is satisfied. This document is scoped exclusively to the evidentiary record and the applicable legal standards—it is not a legal brief or adversarial filing. It is a good-faith presentation of facts to assist the certifying official in making the certification determination required by law.

II. SUMMARY OF THE EVIDENTIARY RECORD

The following documentary evidence has been compiled and is referenced throughout this memorandum. Each exhibit is attached or is already within CHP's custody and control:

Exhibit A — CHP Dashcam Video Transcript. A verbatim, timestamped transcription of the audio and video recording captured by the CHP dashcam during the entire encounter on November 1, 2024, CHP Case No. RJ68845. This is the single most important piece of evidence in the record because it provides an objective, contemporaneous account of every statement made and every action taken by both officers and by the Petitioner.

Exhibit B — CHP Arrest-Investigation Report (CHP 202, Case No. RJ68845). The official five-page report prepared by Officer Meza-Gonzalez. This report contains the sworn statements that are directly contradicted by the dashcam recording, forming the evidentiary basis for the obstruction of justice and perjury elements of the qualifying criminal activity.

Exhibit C — Detention Certificate (Dublin CHP-01991, dated November 5, 2024). The official certificate issued under Penal Code § 851.6, in which CHP itself retroactively reclassified the arrest as "a detention only, not an arrest" and certified "insufficient grounds for making a criminal complaint." This is CHP's own admission that the arrest lacked legal justification.

Exhibit D — Declaration of Brendan Ngehsi Newanforbi. A sworn declaration under penalty of perjury detailing the physical and mental harms suffered as a direct result of the qualifying criminal activity, including the loss of livelihood, emotional distress, and financial hardship.

Exhibits E and F — Pay Stubs and Wage Notice (Centerline Drivers, LLC). Twenty-six consecutive weekly pay stubs from Centerline Drivers, LLC, covering the pay periods from May 5, 2024 through January 3, 2025, documenting Petitioner's earnings as a commercial truck driver immediately before the incident. These records establish both the Petitioner's livelihood and the quantum of economic harm caused by the DMV suspension.

Exhibit G — DMV Temporary License and APS Hearing Notice. Documentation from the California Department of Motor Vehicles showing the administrative per se (APS) suspension proceedings and the restriction/disqualification of Petitioner's Class A commercial driving privileges—a direct consequence of the officers' fabricated report.

Exhibit H — CHP Complaint Assignment Letter (Captain G. Serrato, March 26, 2026). CHP's own letter confirming receipt of the citizen complaint, assignment of Sergeant Eric Dutra as the investigator, and CHP's acknowledgment that the matter is under active investigation.

III. ELEMENT ONE: PETITIONER IS A VICTIM OF QUALIFYING CRIMINAL ACTIVITY

The first element requires that the Petitioner is or was a victim of one or more qualifying criminal offenses enumerated in 8 U.S.C. § 1101(a)(15)(U)(iii). The evidence establishes victimization across four independently qualifying categories.

A. False Imprisonment / Unlawful Criminal Restraint (Cal. Penal Code § 236)

Penal Code § 236 defines false imprisonment as "the unlawful violation of the personal liberty of another." The evidence establishes each component:

The arrest lacked probable cause. The dashcam transcript (Exhibit A) reveals that the sole basis for the traffic stop was a welfare check on a lawfully parked vehicle. The only substance identified in the vehicle was urine in a cup. Officer Melano himself conclusively identified the liquid: "This is piss. It smells like piss." (Exhibit A, 00:58:59.) At that moment, the sole articulated basis for suspicion—that the cup contained alcohol—was definitively eliminated.

The Petitioner exhibited no objective signs of impairment. Throughout the encounter, the Petitioner correctly identified his location as Livermore (Exhibit A, 01:00:41); read

highway signs approximately 50 yards away (Exhibit A, 01:00:44); coherently explained his professional training as a commercial truck driver and his habit of pulling over when fatigued (Exhibit A, 01:01:21); and estimated 30 seconds at 43 seconds on the Modified Romberg Balance test—well within normal parameters (Exhibit A, 01:08:40–01:08:45). Critically, neither officer verbalized detecting any odor of alcohol from the Petitioner's person or breath at any point during the encounter, as confirmed by the complete dashcam audio.

The arrest was triggered solely by the PAS refusal. The dashcam recording captures the critical exchange: Officer Meza-Gonzalez explicitly advised the Petitioner, "You're not required to do this" (Exhibit A, 01:10:54), referring to the preliminary alcohol screening test. When the Petitioner exercised his lawful right to decline, Meza-Gonzalez immediately placed him under arrest. (Exhibit A, 01:11:15–01:11:33.) An arrest based solely on the exercise of a right the officer explicitly acknowledged was voluntary constitutes false imprisonment.

CHP itself admitted the arrest was unjustified. The Detention Certificate (Exhibit C) officially recharacterizes the incident as "a detention only, not an arrest" and certifies "insufficient grounds for making a criminal complaint." No criminal charges were ever filed. This is CHP's own contemporaneous determination that the Petitioner was restrained without lawful justification.

B. Felonious Assault / Battery (Cal. Penal Code § 242)

Battery under California law is any willful and unlawful use of force or violence upon the person of another. Cal. Penal Code § 242. The Petitioner was subjected to two distinct batteries:

Forcible handcuffing without probable cause. At 01:11:33, Officer Meza-Gonzalez placed handcuffs on the Petitioner and transported him to the CHP Dublin Area Office. (Exhibit A, 01:11:33; Exhibit B, p. 5.) Because the arrest itself was without probable cause —as CHP later conceded—the physical restraint constitutes an unlawful application of force.

Involuntary blood draw via misrepresented warrant. After the Petitioner exercised his right to refuse chemical testing, Officer Melano told him: "If you don't do it we're gonna get it anyways" (Exhibit A, 01:37:36). A warrant was obtained based on the fabricated CHP report, and at approximately 0238 hours, phlebotomist Aziza Ghaleb extracted two vials of blood from the Petitioner's right arm at the CHP Dublin Area Office. (Exhibit B, p. 5.) Because the warrant was procured through material misrepresentations in the sworn report —specifically, the fabricated "strong distinct odor of an alcoholic beverage" that the dashcam proves was never observed—the blood draw constitutes a forcible bodily intrusion based on fraudulent process.

C. Obstruction of Justice / Fabrication of Evidence

Obstruction of justice is an enumerated qualifying crime under 8 U.S.C. § 1101(a)(15)(U)(iii). The evidence of fabrication is extensive and directly provable through a comparison of the CHP report (Exhibit B) against the dashcam transcript (Exhibit A):

Fabrication #1: "Strong distinct odor of an alcoholic beverage." The CHP report states that Officer Meza-Gonzalez "could smell the distinct odor of an alcoholic beverage emitting from within the vehicle" and "from Newanforbi's breath and person." (Exhibit B, pp. 4–5.) The dashcam transcript contains no contemporaneous verbalization of any alcohol odor at any point. The only odor discussed by either officer during the encounter was the odor of urine from the cup. (Exhibit A, 00:58:51–00:59:04.) This is not a matter of interpretation—it is a direct, provable contradiction between a sworn written statement and the objective audio recording.

Fabrication #2: "Slurred" speech. The CHP report characterizes the Petitioner's speech as "Slurred." (Exhibit B, p. 2.) The dashcam audio recording captures the Petitioner speaking coherently and articulately throughout the encounter. He identifies his location, reads distant highway signs, explains his professional background, and engages in extended, fluent conversation with both officers. The audio flatly contradicts the "slurred" characterization.

Fabrication #3: The Petitioner "seemed very confused and disoriented." The CHP report describes the Petitioner as "very confused and disoriented." (Exhibit B, p. 4.) The dashcam shows the Petitioner correctly identifying his location as Livermore (Exhibit A, 01:00:41), accurately reading highway signs (Exhibit A, 01:00:44), explaining his origin (Oakland) and destination (Stockton), and providing a coherent account of his professional practices as a CDL holder. (Exhibit A, 01:01:21–01:01:56.)

Fabrication #4: "Beverage present: Yes." The CHP report checks "BEVERAGE PRESENT: YES" (Exhibit B, p. 2), directly implying an alcoholic beverage was found in the vehicle. In fact, the only liquid found was the cup of urine, which Officer Melano definitively identified as such on the dashcam. No alcoholic beverage container was found containing alcohol—the "Mike's Hard Lemonade" can referenced at 01:00:09 was described as empty, and the Petitioner denied consuming it.

These fabrications are not minor discrepancies—they are the material misrepresentations upon which the entire arrest, the warrant for the involuntary blood draw, the parole hold, the booking at Santa Rita Jail, and the DMV suspension were predicated. They were made under penalty of perjury in a sworn law enforcement report. The dashcam evidence in CHP's own custody proves they are false.

D. Perjury (Cal. Penal Code § 118)

The sworn statements in the CHP 202 report (Exhibit B) that are contradicted by the dashcam recording (Exhibit A) independently constitute perjury under California Penal Code § 118. Officer Meza-Gonzalez's report was prepared under penalty of perjury and submitted to secure a search warrant from a magistrate. The false statements regarding the odor of alcohol, the Petitioner's speech, and his demeanor were material—they formed the factual predicate for the warrant, the arrest, and all subsequent proceedings.

IV. ELEMENT TWO: PETITIONER POSSESSES INFORMATION CONCERNING THE CRIMINAL ACTIVITY

The Petitioner is the direct victim and the sole civilian percipient witness to every aspect of the qualifying criminal activity. He possesses:

> Firsthand knowledge of the entire encounter, from initial contact through booking at Santa Rita Jail; the dashcam transcript (Exhibit A), which he obtained, authenticated, and produced—constituting the objective evidence that proves the fabrications in the CHP report; the CHP arrest report (Exhibit B), the Detention Certificate (Exhibit C), and the DMV records (Exhibit G), all of which he has analyzed, preserved, and made available to CHP and other investigating entities; and a detailed sworn declaration (Exhibit D) setting forth the full scope of physical and mental harms sustained.

This element is satisfied beyond any reasonable question. The Petitioner is not merely a passive victim—he is the individual who identified, preserved, and produced the key exculpatory evidence (the dashcam transcript) that proves the criminal activity occurred.

V. ELEMENT THREE: PETITIONER HAS BEEN, IS BEING, AND IS LIKELY TO BE HELPFUL

The helpfulness requirement under 8 U.S.C. § 1101(a)(15)(U)(i)(III) and California Penal Code § 679.10(b) is broadly construed. The Petitioner's cooperation is extensive and ongoing:

> **(1) Filing of the CHP Citizen Complaint.** Petitioner filed the citizen complaint that initiated CHP File No. 390.18437.17620—the very investigation Sergeant Dutra has been assigned to conduct. Without this complaint, there would be no investigation.
>
> **(2) POST Complaint.** Petitioner filed a separate complaint with the Commission on Peace Officer Standards and Training, which was forwarded to CHP on March 23, 2026, under Case No. PUBLIC-26-000371. This expanded the investigative record available to CHP.
>
> **(3) Preservation and Production of the Dashcam Transcript.** Petitioner obtained, transcribed, and produced the complete CHP dashcam recording (Exhibit A)—the single most important piece of evidence proving the criminal activity. This evidence is in CHP's own custody but would not have been meaningfully analyzed or compared against the officers' report without the Petitioner's initiative.
>
> **(4) DMV Administrative Proceedings.** Petitioner participated in the DMV APS hearing on January 24, 2025, preserving his rights under penalty of perjury and creating an additional official record of the incident.
>
> **(5) Government Tort Claim.** Petitioner filed a sworn government tort claim with the California Department of General Services within the statutory period, initiating formal investigation of the officers' conduct at the state level.
>
> **(6) No Refusal to Cooperate.** At no point has the Petitioner refused or failed to provide information or assistance reasonably requested by any investigating entity. Under California Penal Code § 679.10(h), this creates a rebuttable presumption that the Petitioner is helpful.

VI. SUBSTANTIAL PHYSICAL AND MENTAL ABUSE

While the "substantial physical or mental abuse" determination is ultimately made by USCIS—not the certifying official—the evidentiary record before CHP confirms the severity of the harm, which contextualizes the certification:

> **Physical harm:** Forcible handcuffing and an involuntary blood draw (two vials extracted from the right arm by phlebotomist Aziza Ghaleb at the CHP Dublin Area Office). (Exhibit B, p. 5.)
>
> **Extended detention:** Following the false arrest, a parole hold was instituted based on the fabricated report, extending the Petitioner's detention from the initial arrest through booking at Santa Rita Jail, where he was held from Friday until the following Wednesday without arraignment. (Exhibit D, ¶ 5.) During this period, the Petitioner was confined with individuals accused of violent crimes including homicide, creating conditions he feared for his personal safety. (Exhibit D, ¶ 5.)
>
> **Complete loss of livelihood:** The false arrest report triggered DMV administrative suspension proceedings. Following the APS hearing on January 24, 2025, the Petitioner's Class A commercial driving license was suspended for one full year (February 20, 2025 through February 19, 2026), disqualifying him from commercial driving. (Exhibit G.) The pay stubs (Exhibit E) document that the Petitioner was earning between approximately $900 and $2,800 per week as a commercial truck driver in the months before the incident. The Petitioner estimates total lost wages during the suspension period at approximately $112,000. (Exhibit D, ¶ 4.)
>
> **Severe emotional distress:** The Petitioner's sworn declaration details ongoing anxiety, panic attacks, flashbacks, a deteriorated sense of self-worth, humiliation in his spiritual and social community, and strained family relationships. (Exhibit D, ¶¶ 6–10.)

VII. THE CRITICAL DASHCAM-TO-REPORT CONTRADICTIONS: A SIDE-BY-SIDE ANALYSIS

Because the fabrication evidence is the foundation of the obstruction of justice and perjury elements, the following side-by-side comparison is provided for the certifying official's convenience:

1. Odor of Alcohol

> **CHP Report (Exhibit B, p. 4):** "I could smell the distinct odor of an alcoholic beverage emitting from within the vehicle." Also: "the strong distinct odor of an alcoholic beverage coming from Newanforbi's breath and person."
>
> **Dashcam (Exhibit A):** Neither officer verbalizes detecting any odor of alcohol at any point during the encounter. The only odor discussed is urine from the cup. (00:58:51–00:59:04.) Melano's later comment about sanitizing gloves references "piss everywhere"—not alcohol. (01:23:26.)

2. Speech

CHP Report (Exhibit B, p. 2): Characterizes Petitioner's speech as "Slurred."

Dashcam (Exhibit A): Audio captures the Petitioner speaking coherently throughout. He spells his last name on request ("N-E-W-W-A-N-F-O-R-B-I" at 00:59:57), discusses alternator mechanics with officers (01:44:21–01:45:37), and engages in extended articulate conversation about his CDL training and truck driving practices (01:01:21–01:01:56).

3. Demeanor / Orientation

CHP Report (Exhibit B, p. 4): Claims Petitioner "seemed very confused and disoriented."

Dashcam (Exhibit A): Petitioner correctly identifies his location as Livermore (01:00:41); reads distant highway signs ("Isabella Avenue, Portola Avenue" at 01:00:44); knows his origin (Oakland), destination (Stockton), and route; and provides a cogent explanation of commercial driver fatigue protocols (01:01:21).

4. Beverage Present

CHP Report (Exhibit B, p. 2): Checks "BEVERAGE PRESENT: YES."

Dashcam (Exhibit A): The only liquid found was urine in a cup. An empty Mike's Hard Lemonade can was found (01:00:09), but the Petitioner denied consuming it and no officer observed it to contain any liquid.

VIII. THE LEGAL STANDARD FOR CERTIFICATION

California Penal Code § 679.10 imposes a mandatory obligation on CHP as a state law enforcement certifying entity. The statute requires certification when three elements are met: (1) the petitioner was a victim of a qualifying crime; (2) the petitioner possesses information concerning the criminal activity; and (3) the petitioner has been helpful, is being helpful, or is likely to be helpful in the detection, investigation, or prosecution of the criminal activity. All three are satisfied here, as demonstrated above.

The following legal points are emphasized for the certifying official's consideration:

No prosecution or conviction is required. Section 679.10(k) provides that "[a] current investigation, the filing of charges, closing of a case, and a prosecution or conviction are not required for the victim to request and obtain the Form I-918 Supplement B certification." The fact that CHP declined to file charges against the Petitioner—and indeed conceded the arrest was unjustified—is irrelevant to the certification determination. What matters is whether the officers' conduct constituted qualifying criminal activity against the Petitioner.

Helpfulness is presumed. Section 679.10(h) creates "a rebuttable presumption that the victim is helpful, has been helpful, or is likely to be helpful" if the victim has not refused or failed to provide information and assistance reasonably requested. The Petitioner has never refused any request for cooperation.

Certification must be processed within 30 days. Section 679.10(j) requires the certifying entity to process this request within 30 days of receipt.

Denial must be in writing with specific reasons. If CHP determines it cannot certify, § 679.10(g) requires a "written explanation of the specific reasons for the denial." A generalized or conclusory refusal does not satisfy this statutory obligation.

Signing the certification does not grant a visa. The Form I-918 Supplement B is a factual certification, not an immigration decision. USCIS independently adjudicates the petition, conducts a full background check, and makes all eligibility determinations. The certifying official's signature carries no immigration consequences standing alone and does not prejudice any ongoing investigation. As the DHS U Visa Law Enforcement Resource Guide makes clear, the certification is simply a statement by the certifying official that, based on the facts known to the agency, the petitioner is or was a victim of qualifying criminal activity and has been helpful.

IX. CONCLUSION

The evidentiary record before CHP is overwhelming and largely self-proving. The dashcam recording—CHP's own evidence—establishes that Officers Meza-Gonzalez and Melano subjected the Petitioner to false imprisonment, felonious assault, and obstruction of justice on November 1, 2024. CHP's own Detention Certificate confirms the arrest lacked justification. The Petitioner has cooperated extensively with every available investigative channel and has never refused any request for assistance.

Every statutory element for U visa certification is satisfied. The Petitioner respectfully requests that Sergeant Dutra, as the designated certifying official, review the enclosed Form I-918 Supplement B and the supporting evidence, and execute the certification in accordance with California Penal Code § 679.10 and 8 U.S.C. § 1101(a)(15)(U).

Respectfully submitted,

FIELD SOBRIETY TESTS:

*All FSTs were explained and demonstrated in English by myself. Newanforbi stated he understood each test prior to performing each test. Newanforbi was asked and answered a series of FST questions prior to performing the FSTs. Notes were taken on 3x5 notepad, transferred to the report, and thrown out upon completion of the report. All times throughout this report were taken by my Iphone, unless otherwise stated.

Horizontal Gaze Nystagmus: Newanforbi displayed the following in both his eyes: Equal pupils, equal tracking, lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and the onset of nystagmus prior to 45 degrees. Newanforbi also displayed lack of convergence.

Modified Romberg Balance: Newanforbi estimated the passage of 30 seconds to be an actual 43 seconds. Newanforbi displayed eyelid flutters.

One Leg Stand: Newanforbi chose not to perform this test and related it was difficult.

Walk and Turn: Newanforbi chose not to perform this test and related it was difficult.

Preliminary Alcohol Screening Device (PAS): I advised Newanforbi of the PAS admonishment and he refused to take the test.

FIRST OBSERVATIONS:

On 11/01/2024 at approximately 0055 hours, I was on duty, in full tan California Highway Patrol (CHP) uniform, driving a fully marked CHP patrol vehicle (1633363). My partner, Officer Melano ID 023054, was seated in the right front passenger of my patrol vehicle, also in full tan CHP uniform. We were traveling eastbound on I-580, just west of Isabel Avenue, when we came upon a Gray Tesla Model Y (S/V) on the right shoulder of I-580, just west of Isabel Avenue. I proceeded to park my patrol vehicle right behind the Tesla on the right shoulder to make a welfare check on the Tesla. I conducted a passenger side approach of the Tesla and observed a black male adult seated in the driver seat of the Tesla. The subject was asleep, and I noticed the subject was wearing an orange 21 + wrist band on his right wrist.

UNREDACTED – CONFIDENTIAL – NOT FOR PUBLIC FILING (CRC 1.201)

OBSERVATIONS UPON CONTACT:

I knocked on the right front passenger side window of the Tesla and the subject woke up. The subject seemed very confused and disoriented. I contacted the subject through the open right passenger side door and I could smell the distinct odor of an alcoholic beverage emitting from within the vehicle. I asked the subject if he was okay, and he related yes. The subject related he was in a parking lot, and I proceeded to informed him he was not in a parking lot, and he was on the side of the freeway. I asked the subject how long he had been parked on the side of the freeway and he related approximately 7 minutes. I asked him if he was alone, and he related yes. I asked him if he drove to that location and he related yes, from a party in Oakland. I asked the subject if he had consumed any alcoholic beverages, and he related no. I directed the male to exit the Tesla and walk to the right front of my patrol vehicle where I conducted a DUI evaluation. I asked the male if he had consumed any alcoholic beverages since stopping at that location and he related no. I asked the male if he had a driver license, and he gave me his California Driver License. I identified the male as Brendan Ngehsi Newanforbi D.O.B 09/16/1996 by his California Driver License ID F7953179. I asked Newanforbi a series of field sobriety test questions and while speaking with Newanforbi, I smelled the strong distinct odor of an alcoholic beverage coming from Newanforbi's breath and person. I explained and demonstrated a series of Field Sobriety Tests to Newanforbi, which he did not perform as explained and demonstrated.

ARREST:

Based on the following, I formed the opinion that Newanforbi drove to this location while under the influence of alcohol, a violation of California Vehicle Code 23152(a) per 40300.5 VC:

1. Newanforbi displayed objective signs and symptoms of intoxication.
2. Newanforbi stated that he had driven the vehicle to this location.
3. The driver's seat was adjusted to that of a person of Newanforbi's stature.
4. Newanforbi's answers to the Pre-FST questions.
5. Newanforbi's poor performance on the FST's.
6. Newanforbi related he did not have any alcoholic beverages since he stopped on the shoulder.

UNREDACTED – CONFIDENTIAL – NOT FOR PUBLIC FILING (CRC 1.201)

ARREST (Continued):

At 0112 hours, I placed Newanforbi under arrest for a violation of California Vehicle Code section 23152 (a), driving while under the influence of alcohol, per 40300.5 VC.

I placed Newanforbi in handcuffs, they were then adjusted to proper fit and double locked. Newanforbi was then placed in the right rear passenger seat of my patrol vehicle. During this investigation a Department of Motor Vehicles (DMV) driving history for Newanforbi was requested through the GGCC. The GGCC advised his license status was valid and was on parole for 289(a)(1) PC. I advised Mr. Newanforbi of Implied Consent by reading the back of the DMV DS 367 page 1 verbatim (excluding paragraph 3 and 6). I gave Newanforbi the choice of submitting to a chemical breath test, blood test, or to refuse the tests. I advised Newanforbi there were additional administrative consequences from the DMV for refusing the chemical tests. Newanforbi chose to refuse any chemical testing. Newanforbi was then transported to the CHP Dublin Area Office, where I wrote an affidavit for Newanforbi's blood. Judge A. Sekany approved the affidavit at approximately 0234 hours (WAR913372). At approximately 0238 hours, I received two vials of blood from Newanforbi's right arm by phlebotomist Aziza Ghaleb. The blood sample was sealed and secured in the CHP Dublin Area Blood Evidence locker for analysis by the Department of Justice. Newanforbi was then transported to Santa Rita jail, where he was booked at approximately 0325 hours for 23152(a) VC.

RECOMMENDATIONS:

I recommend that a copy of this report be forwarded to the Alameda County District Attorney's office for the review of the following charges against Brendan Ngehsi Newanforbi:

- 23152(a) VC - DUI Alcohol
- 23152(b) VC - .08% BAC or above (Pending Results)

Upon successful prosecution of the above charges, I recommend the following enhancements be charged against Newanforbi:

- 23578 VC - Chemical Test Refusal

On 11/01/2024 at approximately 0055 hours, I was on duty, in full tan California Highway Patrol (CHP) uniform, driving a fully marked CHP patrol vehicle (1633363). My partner, Officer Melano ID 023054, was seated in the right front passenger of my patrol vehicle, also in full tan CHP uniform. We were traveling eastbound on I-580, just west of Isabel Avenue, when we came upon a Gray Tesla Model Y (S/V) on the right shoulder of I-580, just west of Isabel Avenue. I proceeded to park my patrol vehicle right behind the Tesla on the right shoulder to make a welfare check on the Tesla. I conducted a passenger side approach of the Tesla and observed a black male adult seated in the driver seat of the Tesla. The subject was asleep, and I noticed the subject was wearing an orange 21 + wrist band on his right wrist. I knocked on the right front passenger side window of the Tesla and the subject woke up. The subject seemed very confused and disoriented. I contacted the subject through the open right passenger side door and I could smell the distinct odor of an alcoholic beverage emitting from within the vehicle. I asked the subject if he was okay, and he related yes. The subject related he was on a parking lot, and I proceeded to informed him he was not in a parking lot, and he was on the side of the freeway. I asked the subject how long he had been parked on the side of the freeway and he related approximately 7 minutes. I asked him if he was alone, and he related yes. I asked him if he drove to that location and he related yes, from a party in Oakland. I asked the subject if he had consumed any alcoholic beverages, and he related no. I conducted a DUI evaluation on the subject and at 0112 hours, I placed the subject (Newanforbi) under arrest for a violation of California Vehicle Code section 23152(a), driving while under the influence of alcohol, per 40300.5 VC.

SEARCH WARRANT
DUI Blood Draw
Penal Code § 1524(a)(13)

The People of the State of California **Warrant No:**

To any peace officer in California: **Report No:** RJ68845

Name of arrestee: NEWANFORBI, BRENDAN NGEHSI **DOB:** 09/16/1996

PFN: **SSN:** **DL #:** **DL State:**

Numerical identifier:

Vehicle Code violation: ☑ 23152 ☐ 23153 ☐ 23140

The affidavit below, which was sworn to and subscribed before me on this date, has established the following:

(1) At the date and time listed in the affidavit, the arrestee was lawfully arrested in the above county for the above offense(s) and the arrestee remains in custody.

(2) There is probable cause to believe that laboratory testing of a sample of the arrestee's blood will produce relevant evidence as to arrestee's guilt or innocence.

You are therefore ordered to promptly obtain a sample of the arrestee's blood and submit the sample to an approved laboratory for the purpose of determining its alcohol and/or drug content. This sample shall be obtained in a medically approved manner by a person who is certified to draw blood. Because this warrant authorizes a search for evidence that is constantly dissipating, it may be executed at any hour of the day or night. Pursuant to *Carleton v. Superior Court* (1985) 170 Cal.App.3d 1182, 1192 ["to restrain a defendant reasonable force may be necessary to properly withdraw a blood sample from an actively resisting defendant"], if the arrestee actively resists the execution of this warrant, and if officers have notified the arrestee that a warrant for this procedure has been issued, they may use reasonable force to obtain the evidence.

Name of affiant: SANTIAGO MEZA-GONZALES

Affiant's agency: CALIFORNIA HIGHWAY PATROL, DUBLIN

Date of arrest: 11/01/2024 **Time of arrest:** 01:12

I am a law enforcement officer employed by the above agency. On the above date and approximate time I arrested the above-named arrestee for the above Vehicle Code offense and the arrestee has remained in custody. The arrest was based on the following circumstances that were witnessed by me or, where indicated, were witnessed by another officer who informed me of the circumstance:

On 11/01/2024, at approximately 0055 hours, I was on patrol in full tan CHP uniform seated in the driver seat of a fully marked California highway Patrol (CHP) patrol vehicle (1633363) with my partner Officer Melano ID 23054, who was seated int the right front passenger seat of our patrol vehicle in the city of Livermore, county of Alameda. I observed a gray Tesla SUV parked on the right shoulder of I-580 eastbound, west of Isabel Avenue, and I proceeded to make a welfare check on the vehicle. I conducted a passenger side approach of the Tesla and observed a black male adult seated in the driver seat of the Tesla. The subject was asleep, and I noticed the subject was wearing an orange 21 + wrist band on his right wrist. I knocked on the right front passenger side window of the Tesla and the male woke up. The male seemed very confused and disoriented. I could smell the distinct odor of an alcoholic beverage emitting from within the vehicle through the open right passenger side door. I asked the male if he was okay, and he related yes. The male related he was on a parking lot, and I proceeded to informed him he

was not in a parking lot, and he was on the side of the freeway. I asked the male how long he had been parked on the side of the freeway and he related approximately 7 minutes. I asked him if he was alone, and he related yes. I asked him if he drove to that location and he related yes, from a party in Oakland. I asked the male if he had consumed any alcoholic beverages, and he related no. I asked the male to exit the Tesla. I asked the male if he had consumed any alcoholic beverages since stopping at that location and he related no. I asked the male if he had a driver license, and he gave me his California Driver License. I identified the male as Brendan Ngehsi Newanforbi D.O.B 09/16/1996 by his California Driver License ID F7953179. I asked Mr. Newanforbi a series of field sobriety test questions and while speaking with Mr. Newanforbi, I smelled the odor of an alcoholic beverage coming from Mr. Newanforbi's breath and person. I conducted a series of field sobriety tests on Mr. Newanforbi of which he did not perform as instructed or demonstrated. I arrested Mr. Newanforbi for 23152(a) VC - DUI at approximately 0112 hours. I advised Mr. Newanforbi of Implied Consent by reading the back of the DMV DS 367 page 1 verbatim (excluding paragraph 3 and 6). I gave Mr. Newanforbi the choice of submitting to a chemical breath test, blood test, or to refuse the tests. I advised Mr. Newanforbi there were additional administrative consequences from the DMV for refusing the chemical tests. Mr. Newanforbi chose to refuse any chemical testing.

Declaration: I declare under penalty of perjury that the foregoing is true.

00:58:30 — **Meza-Gonzalez:** "How much have you had to drink at the party? You said it was like 2 hours ago?"

00:58:36 — **Plaintiff:** "Zero."

00:58:37 — **Meza-Gonzalez:** "You haven't had anything?"

00:58:38 — **Plaintiff:** "No, no."

00:58:34 — **Meza-Gonzalez:** "Okay. What's in that cup right there?"

01:00:28 — **Meza-Gonzalez:** "You said you've been here for seven minutes. Uh, you drove home from a party. When was the party at?"

01:00:34 — **Plaintiff:** "It wasn't all the way in Oakland."

01:00:37 — **Meza-Gonzalez:** "Oakland? Oh and you're going back home to Stockton?"

01:00:39 — **Plaintiff:** "Yes."

01:00:40 — **Meza-Gonzalez:** "You know where you're at right now?"

01:00:41 — **Plaintiff:** "Right now, Livermore."

01:00:56 — **Plaintiff:** "No."

01:00:57 — [Meza-Gonzalez reaches into shirt pocket, pulls out two notebooks and a pen. Flips open a page and continues questioning.]

01:01:16 — **Meza-Gonzalez:** "So why was the reason that you stopped on the side of the road? You just felt tired?"

IV. PRE-FST QUESTIONING (01:01:21 – 01:05:07)

01:01:21 — **Plaintiff:** "You know I'm a truck driver. So when I feel tired, when I feel fatigued, whenever I am unable to continue to drive that truck, I'm gonna pull over to the side of the road, try to get a nap. It's not often that I'm going to go into the exit. It's not often that I'm gonna do that because it's an immediate thing. How quickly can I move over to the side of the road, catch some shut-eye, wake up and continue on to finish the route? I adopt that same sort of mentality..."

01:01:55 — **Meza-Gonzalez:** "...when you're driving your personal vehicle?"

01:01:56 — **Plaintiff:** "...when I drive my personal vehicle."

01:01:58 — **Meza-Gonzalez:** "OK, is this your car though?"

01:01:59 — **Plaintiff:** "This is a rental."

01:02:02 — **Meza-Gonzalez:** "Do you know anything mechanically wrong with it or is it perfectly fine?"

01:02:06 — **Plaintiff:** "Uh, I don't know what could have been wrong with it. As far as I know, since I've only had it for what, less than a week."

01:02:15 — **Meza-Gonzalez:** "OK. Are you sick or injured?"

01:02:17 — **Plaintiff:** "Sorry?"

01:02:18 — **Meza-Gonzalez:** "Are you sick or injured?"

01:02:19 — [Plaintiff leans head toward the right to hear Meza-Gonzalez's question better.]

01:02:19 — **Meza-Gonzalez:** "Are you sick or injured?"

01:02:21 — **Plaintiff:** "Am I sick or injured physically? No."

01:02:26 — **Meza-Gonzalez:** "OK. Are you diabetic or epileptic?"

01:02:28 — **Plaintiff:** "I have — I have been diagnosed with pre-diabetes."

01:02:31 — **Meza-Gonzalez:** "Pre-diabetes? OK. And do you take insulin?"

01:02:34 — **Plaintiff:** "No sir, no sir. I don't take any insulin to treat the pre-diabetes."

01:02:41 — **Meza-Gonzalez:** "OK. So you don't have any physical impairments?"

01:02:48 — **Plaintiff:** "Besides the pre-diabetes and the uh..."

01:02:51 — **Meza-Gonzalez:** "Can I have you spit out whatever is in your mouth?"

01:02:51 — [Meza-Gonzalez motions with circular motion, points at his mouth.]

01:02:53 — **Plaintiff:** "Oh I'm sorry, that's — that's just like spit."

01:02:53 — [Plaintiff leaning downward and away from Meza-Gonzalez.]

01:02:54 — **Meza-Gonzalez:** "Is it seeds or what is it?"

01:03:01 — **Plaintiff:** "That's a hotdog, from the hotdog stand."

01:03:05 — **Meza-Gonzalez:** "Oh OK. I just wasn't sure what you were chewing on. That's why I wanted you to spit it out."

01:03:09 — **Plaintiff:** "Sorry."

01:03:10 — **Meza-Gonzalez:** "It's fine. Alright, um when was the last time you slept? 'Cause I know that we've got you sleeping right here. How long would you say you slept for, maybe like, you got like

5 minutes of shut-eye right now?"

01:03:19 — **Plaintiff:** "Yeah like only been 7, yeah."

01:03:28 — **Meza-Gonzalez:** "OK. And what did you last eat? You said a hotdog?"

01:03:31 — **Plaintiff:** "Yeah."

01:03:32 — **Meza-Gonzalez:** "What time did you have the hotdog?"

01:03:34 — **Plaintiff:** "What time is it now sir?"

01:03:35 — **Meza-Gonzalez:** "Uh right now it's 1 AM."

01:03:42 — **Plaintiff:** "Maybe like 11:30."

01:03:47 — **Meza-Gonzalez:** "And you were driving correct? The car, the Tesla?"

01:03:50 — **Plaintiff:** "I was in the driver's seat, yes sir."

01:03:53 — **Meza-Gonzalez:** "OK, but you were driving? 'Cause you said you came from a party in Oakland?"

01:03:57 — **Plaintiff:** "Oakland, yes."

01:03:59 — **Meza-Gonzalez:** "OK. Um, you started driving from Oakland, you're going to Stockton, and you said you know that you're in Livermore right?"

01:03:59 — [Meza-Gonzalez making hand motions.]

01:04:07 — **Plaintiff:** "Yeah, I'm aware of that."

01:04:12 — **Meza-Gonzalez:** "What you said you haven't been drinking anything at all? No alcohol? OK."

01:04:14 — **Plaintiff:** "No sir."

01:04:18 — **Meza-Gonzalez:** "Have you bumped your head recently? Like at all?"

01:04:21 — **Plaintiff:** "I'm not sure."

01:04:23 — **Meza-Gonzalez:** "OK."

01:04:29 — **Meza-Gonzalez:** "Are you under the care of a doctor or dentist?"

01:04:33 — **Plaintiff:** "If you ask me who my primary care doctor was, I wouldn't be able to tell you."

01:04:37 — **Meza-Gonzalez:** "That's fine. I was just — I just want to know if you're under the care of a doctor or dentist for something, like something, like an injury or something."

01:04:44 — **Plaintiff:** "Like I said, I have recently seen a doctor for high blood pressure."

01:04:51 — **Meza-Gonzalez:** "OK. Have you taken any medication or drugs?"

01:04:56 — **Plaintiff:** "No drugs or medicine."

01:05:00 — **Meza-Gonzalez:** "No? OK."

01:05:00 — [Meza-Gonzalez proceeds to command Plaintiff to come to his car.]

V. FIELD SOBRIETY TESTS (01:05:07 – 01:10:30)

01:05:07 — **Meza-Gonzalez:** "Alright, so what I'm gonna have you do is come off of my car, OK? I'm gonna have you put your feet together. Put your feet together for me. Put your hands down by your side, and then just remain like this until I tell you to do something else. Do you understand?"

01:05:21 — **Plaintiff:** "Yes sir."

01:05:22 — **Meza-Gonzalez:** "Alright. So what you're gonna do is you're gonna look at the tip of my finger with your eyes without moving your head. Do you understand?"

01:05:34 — **Meza-Gonzalez:** "Eyes test."

01:06:11 — **Meza-Gonzalez:** "Just continue looking at the tip of my finger, OK?"

01:06:54 — **Meza-Gonzalez:** "Alright, now come down to your nose, go around your face here. I'm not gonna touch you, OK?"

01:07:04 — **Meza-Gonzalez:** "OK."

01:07:04 — [Ends HGN test.]

01:07:05 — **Meza-Gonzalez:** "You can relax."

01:07:06 — **Meza-Gonzalez:** "What do you drive?"

01:07:12 — **Plaintiff:** "I drive a uh Tesla Model Y."

01:07:14 — **Melano:** "You need a jacket or anything?"

01:07:15 — **Meza-Gonzalez:** "I'm good."

01:07:17 — **Meza-Gonzalez:** "Uh, a Tesla Model Y?"

01:07:18 — **Plaintiff:** "A Tesla Model Y."

01:07:21 — **Meza-Gonzalez:** "So you don't drive a, you said you drive a truck right?"

01:07:33 — **Plaintiff:** "I do drive a semi truck for a living. I do have a Class A license."

01:07:34 — **Meza-Gonzalez:** "Alright so what I'm gonna have you do, put your feet together, hands down by your side, OK? And then just remain like this until I tell you to do something different. Do you understand?"

01:07:41 — **Plaintiff:** "Understood."

01:07:42 — **Meza-Gonzalez:** "Alright, so when I tell you to do so, not now, what you're gonna do, when I tell you to, you're gonna tilt your head back alright, and then when I tell you to do so, close your eyes. Close your eyes OK? Once you believe that 30 seconds have passed by, you're gonna open your eyes, you're gonna look at me, and you're gonna tell me to stop. Do you understand?"

01:07:58 — **Plaintiff:** "Understood."

01:07:59 — **Meza-Gonzalez:** "OK, so tilt your head back and close your eyes."

01:08:02 — [Meza-Gonzalez starts timer.]

01:08:40 — [Plaintiff opens eyes and looks at Meza-Gonzalez, signaling for time to stop.]

01:08:41 — **Meza-Gonzalez:** "Stop?"

01:08:44 — [Plaintiff nods head yes.]

01:08:45 — [Meza-Gonzalez stops timer.]

01:08:53 — [Meza-Gonzalez pulls notebook out, clicks pen, takes notes.]

01:08:58 — **Meza-Gonzalez:** "Alright so what I'm gonna have you do now is same thing. Keep your feet together, hands down by your side, and then just remain like this until I tell you to do something different, OK? What you're gonna do is you're gonna choose either leg of your choice, OK? You're gonna lift it off the ground OK? 1 thousand 1, 1 thousand 2, 1 thousand 3, OK?"

01:09:14 — **Plaintiff:** "Really?"

01:09:20 — **Meza-Gonzalez:** "Yeah. You want to do it? It's fine if you don't. You don't have to."

01:09:23 — **Plaintiff:** "Well I mean, you're giving me all these tests. It seems as though I'm passing them and then the level of difficulty just keeps increasing and increasing and increasing. I just wanna know if I've passed your test."

01:09:43 — **Melano:** "We have other tests you could do."

01:09:44 — **Meza-Gonzalez:** "Yeah there's other ones we could do."

01:09:46 — **Plaintiff:** "So I haven't passed any of your tests yet?"

01:09:49 — **Meza-Gonzalez:** "I'm not saying that you haven't passed them yet. I'm just having you do them first."

01:09:52 — **Melano:** "Yeah there's not pass or fail."

01:09:54 — **Plaintiff:** "They obviously are because if there were pass or fail, if they were pass then I would have..."

01:09:58 — **Meza-Gonzalez:** "I need to do all of them. I go through all of them regardless if it's a pass or what you think is a pass or fail."

01:10:10 — **Meza-Gonzalez:** "Alright?"

01:10:12 — **Plaintiff:** "I don't think I — I don't know if I can balance on one knee."

01:10:14 — **Meza-Gonzalez:** "OK, well for the next one I'm gonna have you walk in a straight line, imaginary line. You want to do that one yes or no?"

01:10:23 — **Plaintiff:** "I mean I think we can do that. I mean..."

01:10:25 — **Melano:** "It's kind of sketch here bro."

01:10:26 — **Meza-Gonzalez:** "Is it 'cause it's on the side of the freeway?"

01:10:27 — **Melano:** "Yeah, it's on the side of the freeway and it's like uneven ground. I wouldn't do that one."

01:10:30 — **Meza-Gonzalez:** "Alright then."

VI. PAS TEST REQUEST AND ARREST (01:10:33 – 01:11:42)

01:10:33 — **Meza-Gonzalez:** "Alright, so then I'm gonna request you take a preliminary alcohol screening test for assisting me in determining whether you are under the influence of alcohol or not. You may refuse to take this test, however this is not an implied consent test and if you are arrested you will be required to give a sample of your blood or breath for the purpose of determining the alcoholic and drug content of your blood. Is that fine?"

01:10:51 — **Plaintiff:** "So you're saying that I am required or not required?"

01:10:54 — **Meza-Gonzalez:** "You're not required to do this. It'll assist me in determining whether you are under the influence of alcohol."

01:11:01 — **Plaintiff:** "And if I choose not to consent to it?"

01:11:03 — **Meza-Gonzalez:** "If you choose to not consent to it then it'll be up to my discretion whether I put you under arrest for DUI or not."

01:11:11 — [Meza-Gonzalez and Melano calibrating breathalyzer.]

01:11:13 — **Meza-Gonzalez:** "Yes or no?"

01:11:15 — **Plaintiff:** "I don't consent to that."

01:11:16 — **Meza-Gonzalez:** "OK. Brendan. Alright then. I'm gonna have you just turn around please. Place your hands behind your back."

01:11:31 — **Meza-Gonzalez:** "Place your hands behind your back."

01:11:33 — **Meza-Gonzalez:** "Separate your feet, point your toes out and don't move, okay?"

01:11:33 — [Meza-Gonzalez proceeds to place handcuffs on Plaintiff.]

01:11:36 — **Melano:** "Go ahead."

01:11:36 — [Melano radios dispatch.]

01:11:42 — **Dispatch:** "Uh so he is on parole for PC 289. He's also a 290 registrant. He's clear with San Joaquin and I'm gonna check Alameda."

VII. POST-ARREST PROCESSING (01:12:32 – 01:25:24)

01:12:32 — **Melano:** "He's on parole."

01:12:33 — **Meza-Gonzalez:** "You have the keys right?"

01:12:54 — **Meza-Gonzalez:** "I'm gonna just search you right now."

01:12:54 — [Meza-Gonzalez proceeds with pat down.]

01:13:01 — **Melano:** "You need a property bag or no?"

01:13:02 — **Meza-Gonzalez:** "I got a property bag."

01:13:05 — **Melano:** "OK, look you want me to hold it for you?"

01:13:05 — **Meza-Gonzalez:** "I don't have it on me though."

01:13:14 — [Meza-Gonzalez reaches into Plaintiff's left pant pocket. Search of person continues.]

01:13:31 — **Meza-Gonzalez:** "What's this ankle bracelet for?"

01:13:33 — **Plaintiff:** "Like you said, I am on parole."

01:13:35 — **Melano:** "Yeah."

01:13:38 — **Meza-Gonzalez:** "So you're on post-community supervision?"

01:13:42 — **Plaintiff:** "Uh I think there's a difference between PRCS—"

01:13:43 — **Melano:** "Yeah, there is."

01:13:46 — **Plaintiff:** "PRCS, parole, and uh what's the other one, probation."

01:14:30 — **Melano:** "Hey boss is there anything in the car that you want us to note on an inventory form that's really important of value that you want to take with you?"

01:14:33 — **Plaintiff:** "Not necessarily, I mean..."

01:14:34 — **Melano:** "Like do you want to take your phone with you or something?"

01:14:36 — **Plaintiff:** "Like my motor vehicle record, of course."

01:14:38 — **Melano:** "You want to take your phone with you?"

01:14:39 — **Plaintiff:** "Everybody would probably wanna take their phone."

01:14:42 — **Melano:** "Cool, so I'll grab your phone, anything else you want?"

01:14:49 — **Melano:** "Like phone, wallet, keys."

01:14:53 — **Plaintiff:** "You haven't seen anything else in there that's of value?"

01:14:56 — **Melano:** "No, I'll check. I haven't checked yet. I'm asking first."

01:14:59 — **Plaintiff:** "Phone, keys, wallet, paperwork."

01:15:06 — [Meza-Gonzalez escorts Plaintiff to passenger side of squad car and puts him in the back seat, cuffs still on. He attaches the handcuffs to the vehicle frame and then closes the door.]

01:15:54 — **Meza-Gonzalez:** "Alright so uh you have the option of a chemical breath test or a chemical blood test, which one would you like to do?"

01:16:04 — **Meza-Gonzalez:** "You won't do it right now but when we get to the jail which one would you prefer to do, chemical breath or chemical blood?"

01:16:19 — **Plaintiff:** "I don't know. It seems like torture."

01:16:37 — **Meza-Gonzalez:** "Well the thing is you need to make that decision now because if let's say you decide you don't wanna do either chemical breath or chemical blood, I will have to read you the back of a DMV sheet. I'll read you all the rules right for implied consent. Basically, what it breaks down to is if you don't choose a chemical breath or a chemical blood, the DMV will have to suspend your license."

01:16:59 — **Meza-Gonzalez:** "'Cause right now you're not refusing, you're just saying that basically you don't want to choose and I'm letting you know what's gonna happen."

01:17:11 — **Meza-Gonzalez:** "You wanna choose a chemical breath or blood?"

01:17:13 — **Plaintiff:** "And then I can't drive whatsoever?"

01:17:16 — **Meza-Gonzalez:** "I'll read you the back of the DMV sheet so that way you know everything OK? OK just watch your fingers."

01:17:16 — [Meza-Gonzalez closes passenger door, enters driver door.]

01:18:32 — [Meza-Gonzalez: "You got a 130?"]

01:18:34 — **Melano:** "Yeah I'm starting right now bro. I need to make sure there's no guns. He's on parole."

01:18:34 — [Melano continues searching vehicle.]

01:19:18 — [Meza-Gonzalez reads chemical test admonishment.]

01:20:49 — **Meza-Gonzalez:** "So that just broke it down detail by detail that basically if you refuse your driving privilege will be administratively suspended for one or three years by the DMV. Let's say you said you're sober right, you didn't drink anything whatsoever. Even if you still refuse to take a chemical breath or blood test, the DMV will administratively suspend your license for one year at least, and it could be up to three years."

01:21:17 — **Plaintiff:** "Well if that's what the DMV has to do then that's what the DMV has to do."

01:21:30 — **Meza-Gonzalez:** "So even though you know that you're gonna get suspended?"

01:21:33 — **Plaintiff:** "So you're saying the DMV will categorically suspend my license up to three years is what you're saying."

01:21:41 — **Plaintiff:** "Even as a truck commercial driver, that's what you're willing to do, force the DMV's hand?"

01:21:50 — **Meza-Gonzalez:** "I'm not forcing the DMV to do it, that's their rule."

01:21:52 — **Plaintiff:** "I get that."

01:21:54 — **Meza-Gonzalez:** "And all you have to do is take a chemical breath or chemical blood without refusing."

01:22:04 — **Plaintiff:** "With all due respect, by the power that's been vested upon you in the State of California..."

01:22:15 — **Meza-Gonzalez:** "So you're refusing to take a test?"

01:22:21 — **Meza-Gonzalez:** "OK."

01:23:11 — **Melano:** "Yeah we just have to write what time we last passed him here because he wasn't here earlier."

01:23:16 — **Meza-Gonzalez:** "But he said he was here for seven minutes."

01:23:17 — **Melano:** "Yeah plus we can't tell if—"

01:23:20 — **Melano:** "So I didn't circle in yet because I was doing my search first because he's on parole."

01:23:26 — **Melano:** "Let me sanitize my gloves, there was piss everywhere. Gross."

01:23:33 — **Melano:** "Yeah you want to start your warrant?"

01:23:34 — **Meza-Gonzalez:** "I could start the CLETS."

01:23:36 — **Melano:** "Start your CLETS yeah."

01:24:17 — **Melano:** "Any additional charges because he's on parole?"

01:24:17 — **Meza-Gonzalez:** "What's the parole for?"

01:24:21 — **Melano:** "'Cause he's supposed to be in prison, I don't think parole is. Actually there is a parole violation, that's says on. I don't know though."

01:25:24 — **Melano:** "Oh yeah it's gonna be a good partnership."

VIII. IMPLIED CONSENT ADVISEMENT (01:36:47 – 01:38:35)

01:36:47 — **Melano:** "Hey boss, um I'm gonna just read something for you OK?"

01:36:54 — **Melano:** "This is the implied consent advisement."

01:36:58 — **Plaintiff:** "Implied consent advisement."

01:37:00 — **Melano:** "Yes sir."

01:37:00 — **Plaintiff:** "It's not a Miranda right?"

01:37:02 — **Melano:** "No, no, no. Miranda rights we only give when we still wanna ask you questions about the investigation."

01:37:07 — **Plaintiff:** "OK."

01:37:08 — **Melano:** "We already have everything we need right? So we're not gonna read Miranda because we don't need anything. Uh this is different. This is a valid implied consent advisement."

01:37:08 — [Melano reads implied consent advisement.]

01:37:35 — **Plaintiff:** "A choice huh?"

01:37:37 — **Melano:** "Yeah. Blood or breath?"

01:37:39 — **Plaintiff:** "Now when you say required by law, what does that mean?"

01:37:32 — **Melano:** "So you're required by law like you have to do it."

01:37:34 — **Plaintiff:** "And what if I don't?"

01:37:36 — **Melano:** "If you don't do it we're gonna get it anyways. It says it's going to be with a warrant and you're gonna automatically lose your license."

01:37:42 — **Plaintiff:** "Yeah we've already been through this man."

01:37:45 — **Melano:** "Well I don't know, I just got back in the car. I haven't talked to you about it."

01:37:46 — **Plaintiff:** "Sorry, sorry. Yeah we've already been through this."

01:37:49 — **Melano:** "Oh OK."

01:37:50 — **Plaintiff:** "Officer Meza and uh we're good to go."

01:37:53 — **Melano:** "About what? So you already told him which one you want?"

01:37:57 — **Plaintiff:** "Yeah. Officer Meza didn't fill in. I'm sorry your name officer sir?"

01:38:01 — **Melano:** "Oh Melano sir."

01:38:02 — **Plaintiff:** "Officer Meza he didn't fill officer Melano in on it?"

01:38:06 — **Melano:** "So which one are we doing sir? I'm asking you here."

01:38:08 — **Melano:** "Neither?"

01:38:09 — **Plaintiff:** "Yep."

01:38:10 — **Melano:** "OK so we're getting a warrant and we're gonna... so we're doing a warrant and we're gonna do it."

01:38:18 — **Plaintiff:** "I mean that's what Officer Meza said."

01:38:30 — **Melano:** "OK perfect, so you do understand though?"

01:38:35 — **Melano:** "I mean it's a yes or no question sir. In that sense you're saying yes. So you could we're gonna get the warrant, then we're gonna do it and then OK perfect. I just want to make sure you

understand. Thank you."

IX. TRANSPORT AND CASUAL CONVERSATION (01:44:21 – 01:57:10)

01:44:21 — **Melano:** "We'll put your battery in the Tesla. Is there an alternator? Well there's a battery but there's no alternator."

01:44:28 — **Meza-Gonzalez:** "No alternator."

01:44:29 — **Melano:** "No? What keeps the battery charged then?"

01:44:34 — **Melano:** "That's a good question huh?"

01:44:37 — **Melano:** "Boss do you think your car has an alternator or nah?"

01:44:40 — **Plaintiff:** "I don't think electric vehicles have alternators."

01:44:42 — **Melano:** "That's what I'm saying 'cause it doesn't get—"

01:44:43 — **Meza-Gonzalez:** "The alternator is used to start up the car."

01:44:47 — **Melano:** "No, the battery is used to start the car. The alternator—"

01:44:53 — **Plaintiff:** "Teslas have motors."

01:44:54 — **Melano:** "Oh. Dual motors. That part OK."

01:44:57 — **Plaintiff:** "They get charged up."

01:44:59 — **Melano:** "They don't need to be recharged?"

01:45:01 — **Plaintiff:** "Just like your phone gets charged."

01:45:02 — **Melano:** "Oh that's why you have a charger."

01:45:04 — **Meza-Gonzalez:** "Yeah."

01:45:05 — **Melano:** "And that's why the cars have an alternator 'cause the cars don't get charged."

01:45:27 — **Plaintiff:** "That's why you have a supercharger 'cause you take your car to it and charge it back up so you can drive it."

01:45:37 — **Plaintiff:** "Just like your phone."

01:45:37 — **Melano:** "Yeah thank you. I'm not a—"

01:45:45 — **Melano:** "Hey so I'm gonna put a paper in your bag that says when the vehicle is stored OK?"

01:52:05 — [Squad car leaves the scene with Plaintiff.]

01:57:10 — [Squad car arrives at the Santa Rita Jail, Dublin CHP transfer.]

Subject: Complaint

Dear Mr. Newanforbi,

We recently received a complaint inquire from the California Commission on Peace Officer Standards and Training, regarding the dissatisfaction with the behavior of one of our employees. When dissatisfaction is expressed regarding the operations of the California Highway Patrol and/or the actions of its employees, the Department has a well-defined procedure for assisting civilians who wish to voice a grievance.

Once a complaint is received, it is my responsibility as the involved employee's commander to ensure a thorough investigation is conducted. The investigation will attempt to determine whether any improprieties exist. I have assigned Dublin Area Sergeant Eric Dutra, ID 19981, as the assigned investigator. Although complaints cannot always be resolved to a civilian's satisfaction, all investigations are conducted objectively and aim to maintain public confidence through the chain of command for an impartial review. After final approval, you will be provided with a closing written response.

Should you have any questions, please contact Sergeant Dutra at (925) 828-0466.

Sincerely,

G. SERRATO, Captain

Petitioner,

v.

CALIFORNIA HIGHWAY PATROL; G. SERRATO, in his official capacity as Captain and Commander of CHP Dublin Area,

Case No. 26CV191136

[ALTERNATIVE PROPOSED] ORDER SETTING LIMITED EVIDENTIARY PROCEEDINGS ON FIRST CAUSE OF ACTION

Hon. Jenna M. Whitman, Dept. 25
Hearing: January 8, 2027, 9:00 a.m., Department 25; Reservation No. 958052306492
Action filed May 29, 2026
Trial: Not set

Petitioner's noticed motion for judgment and peremptory writ of mandate under Code of Civil Procedure section 1085 having been heard, the Court finds that resolution of the surviving First Cause of Action requires determination of one or more genuinely material factual issues on competent evidence. The Court does not at this stage grant or deny the requested peremptory writ on the merits.

IT IS ORDERED:

1. An evidentiary hearing / trial-setting conference shall be held on _____ at _____ in Department 25.

2. The factual questions to be determined shall be confined to those material to the lawfulness of the November 1, 2024 compulsory personal restraint and the challenged April 20, 2026 certification decision, including the accuracy and materiality of the competing accounts of the walk-and-turn exchange, the material contemporaneous grounds for custody, and helpfulness only if qualifying victimhood is established.

3. The parties shall meet and confer and submit, no later than _____, a joint statement proposing the order of proof, witness and exhibit lists, authenticated access to the original CHP dashboard recording, and any narrowly necessary evidentiary stipulations. SUPERIOR COURT OF THE STATE OF CALIFORNIA

COUNTY OF ALAMEDA

BRENDAN NGEHSI NEWANFORBI, Petitioner, v. **CALIFORNIA HIGHWAY PATROL; G. SERRATO, in his official capacity as Captain and Commander of CHP Dublin Area,** Respondents.	Case No. 26CV191136 **[PROPOSED] JUDGMENT GRANTING RELIEF ON FIRST CAUSE OF ACTION AND DIRECTING LAWFUL RECONSIDERATION** Hon. Jenna M. Whitman, Dept. 25 Hearing: January 8, 2027, 9:00 a.m., Department 25; Reservation No. 958052306492 Action filed May 29, 2026 Trial: Not set

This matter came before the Court on _____, on Petitioner's motion for judgment on the First Cause of Action and issuance of a peremptory writ under Code of Civil Procedure section 1085 and Penal Code section 679.10. The Court considered the admitted evidence, arguments, pleadings and record.

FINDINGS

1. Petitioner requested Form I-918 Supplement B certification from CHP on April 9, 2026. On April 20, 2026, CHP, acting through Captain G. Serrato, denied certification on the ground that the November 1, 2024 incident did not involve qualifying or substantially similar

criminal activity.

2. California Penal Code section 679.10 includes false imprisonment and unlawful criminal restraint among the qualifying activities. Certification is required when the conditions specified in subdivision (g)(1), including victimhood and helpfulness, are established. The absence of a prosecution or conviction is not a statutory disqualification.

3. The Court finds that the challenged determination rests on a material error in the assessment of qualifying criminal activity. In particular, the Court finds that the factual basis used to reject the alleged unlawful personal restraint cannot be sustained without correcting the material conflict between CHP's statement that Petitioner chose not to perform the walk-and-turn because it was difficult and the credited contemporaneous recording showing that the officer declined to administer that test because the roadway shoulder was unsuitable. This conflict materially affects the reliability of the report's stated arrest rationale, in combination with the evidence concerning the conditions of custody. The Court's reasoning and any additional factual findings are those stated on the record and incorporated into this judgment.

4. Accordingly, CHP's April 20, 2026 decision constituted a material abuse of discretion requiring vacatur and reconsideration under the correct evidentiary and statutory framework. The Court does not order direct certification because lawful factual evaluation remains for the authorized certifying official.

JUDGMENT AND DIRECTIONS

5. Judgment is entered in favor of Petitioner on the surviving First Cause of Action to the extent specified in this judgment. The April 20, 2026 denial is set aside. A peremptory writ shall issue commanding CHP, acting through an authorized certifying official, to make a new

determination on Petitioner's April 9, 2026 Form I-918 Supplement B request.

6. Within 30 days after service of the writ, CHP shall reconsider the request using the legally applicable definitions of qualifying criminal activity, the record as properly determined, and the Court's findings, without perpetuating the material error identified here. CHP shall not require charges or prosecution as a condition of certification and shall apply subdivisions (g), (h) and (k) of Penal Code section 679.10. If CHP denies certification, it shall comply with the written-notice requirements of subdivision (i)(2).

7. Within 45 days after service of the writ, Respondents shall file and serve a return explaining compliance and attaching the resulting decision or completed certification, with any necessary lawful redactions. The periods set here are terms of this judgment, not findings of a missed processing deadline concerning the original request.

8. This judgment concerns only the First Cause of Action. It neither grants immigration status nor awards damages nor revives dismissed claims. The Court retains jurisdiction to determine compliance with its writ.

9. Costs: as determined by separate order or further application pursuant to applicable law.

IT IS SO ORDERED.
