KEVIN LEGG 12:49 PM (37 minutes ago)

to kkaur@almaxconsulting.com, me, Kelly

Mr. Newanforbi showed a significant response to his test. He responded to the below questions:

- Since your last polygraph test have you followed or stalked any females?
- Since your last polygraph test have you looked to sexually molest any female?
- Since your last polygraph test have you masturbated to the thoughts of your victim?

Mr. Newanforbi, who was without concern and indifferent, denies the behaviors.

Respectfully and sincerely,

Kevin Legg, CPE
