PRELIMINARY ALCOHOL SCREEN INFORMATION

P.A.S. Admonition: I am requesting that you take a preliminary alcohol screening test to further assist me in determining whether you are under the influence of alcohol. You may refuse to take this test; however, this is not an implied consent test and, if arrested, you will be required to give a sample of your blood, breath, or urine for the purpose of determining the actual alcoholic and drug content of your blood.

CHEMICAL TEST ADVISEMENT

A. The breath testing equipment does NOT retain any breath sample for later analysis by you or anyone else.
B. If you want a sample retained, you may provide a blood or urine sample that will be retained at no cost to you. If you do so, the blood or urine sample may be tested for alcoholic or drug content by either party in a criminal prosecution.
C. Do you wish to provide an additional sample? ☐ YES ☐ NO ☒ N/A

WATSON ADVISEMENT

You are hereby advised that being under the influence of alcohol or drugs, or both, impairs your ability to safely operate a motor vehicle. Therefore, it is extremely dangerous to human life to drive while under the influence of alcohol or drugs, or both. If you continue to drive while under the influence of alcohol or drugs, or both, and, as a result of that driving, someone is killed, you can be charged with murder.

ARREST – INVESTIGATION REPORT NARRATIVE (CONTINUED)

FIELD SOBRIETY TESTS:

*All FSTs were explained and demonstrated in English by myself. Newanforbi stated he understood each test prior to performing each test. Newanforbi was asked and answered a series of FST questions prior to performing the FSTs. Notes were taken on 3x5 notepad, transferred to the report, and thrown out upon completion of the report. All times throughout this report were taken by my Iphone, unless otherwise stated.

Horizontal Gaze Nystagmus: Newanforbi displayed the following in both his eyes: Equal pupils, equal tracking, lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and the onset of nystagmus prior to 45 degrees. Newanforbi also displayed lack of convergence.

Modified Romberg Balance: Newanforbi estimated the passage of 30 seconds to be an actual 43 seconds. Newanforbi displayed eyelid flutters.

One Leg Stand: Newanforbi chose not to perform this test and related it was difficult.

Walk and Turn: Newanforbi chose not to perform this test and related it was difficult.

Preliminary Alcohol Screening Device (PAS): I advised Newanforbi of the PAS admonishment and he refused to take the test.

FIRST OBSERVATIONS:

On 11/01/2024 at approximately 0055 hours, I was on duty, in full tan California Highway Patrol (CHP) uniform, driving a fully marked CHP patrol vehicle (1633363). My partner, Officer Melano ID 023054, was seated in the right front passenger of my patrol vehicle, also in full tan CHP uniform. We were traveling eastbound on I-580, just west of Isabel Avenue, when we came upon a Gray Tesla Model Y (S/V) on the right shoulder of I-580, just west of Isabel Avenue. I proceeded to park my patrol vehicle right behind the Tesla on the right shoulder to make a welfare check on the Tesla. I conducted a passenger side approach of the Tesla and observed a black male adult seated in the driver seat of the Tesla. The subject was asleep, and I noticed the subject was wearing an orange 21 + wrist band on his right wrist.

OBSERVATIONS UPON CONTACT:

I knocked on the right front passenger side window of the Tesla and the subject woke up. The subject seemed very confused and disoriented. I contacted the subject through the open right passenger side door and I could smell the distinct odor of an alcoholic beverage emitting from within the vehicle. I asked the subject if he was okay, and he related yes. The subject related he was in a parking lot, and I proceeded to informed him he was not in a parking lot, and he was on the side of the freeway. I asked the subject how long he had been parked on the side of the freeway and he related approximately 7 minutes. I asked him if he was alone, and he related yes. I asked him if he drove to that location and he related yes, from a party in Oakland. I asked the subject if he had consumed any alcoholic beverages, and he related no. I directed the male to exit the Tesla and walk to the right front of my patrol vehicle where I conducted a DUI evaluation. I asked the male if he had consumed any alcoholic beverages since stopping at that location and he related no. I asked the male if he had a driver license, and he gave me his California Driver License. I identified the male as Brendan Ngehsi Newanforbi D.O.B 09/16/1996 by his California Driver License ID F7953179. I asked Newanforbi a series of field sobriety test questions and while speaking with Newanforbi, I smelled the strong distinct odor of an alcoholic beverage coming from Newanforbi's breath and person. I explained and demonstrated a series of Field Sobriety Tests to Newanforbi, which he did not perform as explained and demonstrated.

ARREST:

Based on the following, I formed the opinion that Newanforbi drove to this location while under the influence of alcohol, a violation of California Vehicle Code 23152(a) per 40300.5 VC:

1. Newanforbi displayed objective signs and symptoms of intoxication.
2. Newanforbi stated that he had driven the vehicle to this location.
3. The driver's seat was adjusted to that of a person of Newanforbi's stature.
4. Newanforbi's answers to the Pre-FST questions.
5. Newanforbi's poor performance on the FST's.
6. Newanforbi related he did not have any alcoholic beverages since he stopped on the shoulder.

ARREST – INVESTIGATION REPORT NARRATIVE (CONTINUED)

ARREST (Continued):

At 0112 hours, I placed Newanforbi under arrest for a violation of California Vehicle Code section 23152 (a), driving while under the influence of alcohol, per 40300.5 VC.

I placed Newanforbi in handcuffs, they were then adjusted to proper fit and double locked. Newanforbi was then placed in the right rear passenger seat of my patrol vehicle. During this investigation a Department of Motor Vehicles (DMV) driving history for Newanforbi was requested through the GGCC. The GGCC advised his license status was valid and was on parole for 289(a)(1) PC. I advised Mr. Newanforbi of Implied Consent by reading the back of the DMV DS 367 page 1 verbatim (excluding paragraph 3 and 6). I gave Newanforbi the choice of submitting to a chemical breath test, blood test, or to refuse the tests. I advised Newanforbi there were additional administrative consequences from the DMV for refusing the chemical tests. Newanforbi chose to refuse any chemical testing. Newanforbi was then transported to the CHP Dublin Area Office, where I wrote an affidavit for Newanforbi's blood. Judge A. Sekany approved the affidavit at approximately 0234 hours (WAR913372). At approximately 0238 hours, I received two vials of blood from Newanforbi's right arm by phlebotomist Aziza Ghaleb. The blood sample was sealed and secured in the CHP Dublin Area Blood Evidence locker for analysis by the Department of Justice. Newanforbi was then transported to Santa Rita jail, where he was booked at approximately 0325 hours for 23152(a) VC.

RECOMMENDATIONS:

I recommend that a copy of this report be forwarded to the Alameda County District Attorney's office for the review of the following charges against Brendan Ngehsi Newanforbi:

- 23152(a) VC - DUI Alcohol
- 23152(b) VC - .08% BAC or above (Pending Results)

Upon successful prosecution of the above charges, I recommend the following enhancements be charged against Newanforbi:

- 23578 VC - Chemical Test Refusal
