Mr. Newanforbi,

The court has not yet signed off on our stipulation to continue the initial case management conference. I propose that if we do not receive the signed order by tomorrow, 9/8 at 2:00 p.m., you send me your portion of the case management statement, and I will incorporate defense's portion so that my office can file the joint case management conference statement by end of day tomorrow if necessary.

Please respond via email if you agree with my proposal or if you would prefer to file the statements separately.

Mr. Li,

Attached is the stipulation with my signature. I made two changes and want to flag both rather than have you discover them at filing.

First, I added a second numbered request item, and a matching sentence in the proposed order, vacating the September 8, 2026 deadlines for Rule 26(a)(1) initial disclosures and the Joint Case Management Statement, and the

ADR certification deadline, and resetting them to run from the continued conference date. Your proposed order already provided that all other deadlines would be based on the new conference date; this simply makes it explicit as to the September 8 dates, which arrive before the Court is likely to act on the stipulation. Second, I corrected two typographical items: a stray period in my name in the opening paragraph, and "modify the its initial scheduling order."

If either change is a problem, tell me and I will sign your original text today rather than delay the filing.

Please send me the conformed copy once it is on file.

Thank you for your cooperation throughout on today.

Regards,

Brendan Ngehsi Newanforbi

Mr. Li:

Service of the First Amended Complaint (Dkt. 5) in Nforbi v. Meza-Gonzalez, et al., N.D. Cal. No. 4:26-cv-08271-ASK, is as follows.

Jose Melano. I served the FAC by first-class mail on August 21, 2026, from San Jose to Officer Melano at California Highway Patrol, South Sacramento Area, 6 Massie Court, Sacramento, CA 95823.

Santiago Meza-Gonzalez. Run With It reports that on August 27, 2026, it substitute-served him — left with a person apparently in charge — at California Highway Patrol, Modesto Area, 4030 Kiernan Ave, Modesto, CA 95356. The packet included the issued summons and the operative FAC. I have the vendor's execution notice (order 15645547). I have not yet received the signed process-server return.

I have not filed the proofs of service with the Court. I plan to file them today or tomorrow. See attachments below for more context.

Please confirm by reply that this reached you.

Mr. Li,

Thank you for your email. I hope you had a good weekend.

I agree with your proposal.

If the Court has not entered the Dkt. 22 proposed order by 2:00 p.m. Pacific on September 8, I will send you my portion of the joint case management statement in Newanforbi v. Serrato, No. 4:26-cv-05953-ASK, so your office can incorporate the defense portion and file a joint statement by the end of that day.

I prefer a joint statement. I do not want to file separately.

If the Court enters the order before 2:00 p.m., Dkt. 22 vacates the September 8 deadlines for the Rule 26(a)(1) disclosures, the joint statement, and ADR certification, and I will not send a statement. Please tell me if the order posts.

If the docket is still unsigned at 2:00 p.m., those dates remain live. I will serve my Rule 26(a)(1) disclosures by the end of the day as well.

Regards,

Brendan Ngehsi Newanforbi

Agreed. I will check on the status of the order tomorrow afternoon and inform you of the status of the order.

On another note, please advise as to your availability the latter half of this week (Wednesday, Thursday, or Friday) for a phone conference. I need to discuss with you issues regarding service on Officer Melano and Meza-Gonzalez in the related case, Nforbi v. Meza-Gonzalez et al.
