v.

THE VONS COMPANIES, INC.; ONE SOURCE TECHNOLOGY LLC d/b/a ASURINT; and DOES 1-5,

Case No. 8:25-cv-00191-SRM-KES

DECLARATION OF COURTNEY JONES IN SUPPORT OF DEFENDANT THE VONS COMPANIES, INC.'S OPPOSITION TO PLAINTIFF'S MOTION FOR CLASS CERTIFICATION

Date: April 15, 2026
Time: 1:30 p.m.

Trial Date: Not Yet Set
Complaint Filed: February 6, 2025

I, Courtney Jones, declare as follows:

1. I am an HR Compliance Analyst. I make this Declaration in support of Defendant The Vons Companies, Inc.'s ("Vons") Opposition to Plaintiff's Motion for Class Certification. I was hired in 2021. My job title was Talent Pre-employment Adjudication Specialist. I have held the position of HR Compliance Analyst since May 18, 2025. I make this Declaration based upon my personal knowledge and upon my review and knowledge of Vons's business records, which are kept in the ordinary course of business. If called upon to testify about the matters contained herein, I could and would competently do so.

2. Vons is an indirect subsidiary of Albertsons Companies, Inc. ("Albertsons"). Albertsons itself has no employees. Vons operates Vons and Pavilions stores in Southern California. Employees who work in Vons and Pavilions banner stores are employed by Vons, not Albertsons.

3. In my position and former position, I am familiar with the background check process for prospective employees of Vons and Safeway, another Albertsons subsidiary. Vons's policy is to conduct background checks of all its job applicants. I currently adjudicate all background checks in California for Vons. Previously, Toni North, former AEC Onboarding Manager, also adjudicated background checks. Ms. North retired in December 2025.

4. I have reviewed Vons's production, Bates Stamped Vons (Carrillo) 000139, which was produced on November 21, 2025. This document reflects all background checks adjudicated by Vons between 2021 and September 2025 that resulted in a "fail." For every background check adjudicated for Vons applicants, if the applicant fails his background check, Vons tracks, among other things, the reason the applicant failed, category of crime, major category, number of convictions, and latest year of conviction. For example, an employee may fail his background check because (1) the applicant has a conviction relevant to the job position sought; (2) the applicant failed to disclose a conviction that appeared on the background check report; or (3) both. A true and correct copy of Vons

(Carrillo) 000139 is attached to the Declaration of Karimah J. Lamar as **Exhibit 3**.

5. Based on my review of Vons's background check results, which I can access in the ordinary course of business, Vons passed more than 1,700 applicants between January 2021 and the date of this Declaration. As such, Vons hires far more individuals with criminal histories than it chooses not to hire. Each applicant with a criminal history is adjudicated using Vons's Standard Operating Procedures ("SOP"). While "Albertsons" appears at the top of the document, the I use this SOP to adjudicate background checks for Vons applicants. A copy of the SOP is attached to the Declaration of Karimah J. Lamar as **Exhibit 1**.

6. I personally reviewed the purportedly mitigating information provided by Plaintiff during his background check process. I considered this material, but it was insufficient to overcome the job-related risk presented because Plaintiff, who was applying for the deli-clerk position, was going to be near minor children. Vons employs minors, and unaccompanied minor children also frequent Vons stores as customers. A copy of the mitigating information produced by Plaintiff is attached to the Declaration of Karimah J. Lamar as **Exhibit 9**.

I declare under penalty of perjury under the laws of the State of California and the United States of America that the foregoing is true and correct.

Executed at Los Angeles, California on this 18 day of February 2026.
