Re: **Ngwa Nforbi v. Ross Stores, Inc., et al.** — Case No. 26CV501995
Request to Correct the Case Title and Defendant Party Order in the Register of Actions
Hon. Vince Parrett, Department 16 — Complaint filed August 26, 2026; first CMC February 11, 2027

Dear Clerk of the Court:

I am the Plaintiff in the above-referenced action, appearing in propria persona. I write to ask the Court to correct the title of this case in the register of actions and on the public case portal. The title now shown does not match the caption of the Complaint the Court accepted for filing, and the mismatch came from the party-entry step of my electronic submission rather than from the pleadings themselves.

I filed this action on August 26, 2026 through One Legal (Filing Order #29111713; Confirmation #35442871; Court Transaction #24948831). The Court accepted the filing the same day, assigned Case No. 26CV501995, issued the Summons, and returned the conformed Verified Complaint, Civil Case Cover Sheet, and clerk-stamped Civil Lawsuit Notice.

The caption on file. The conformed Verified Complaint names the defendants in this order, and the issued SUM-100 Summons and the CM-010 Civil Case Cover Sheet name them in the same order:

(1) Ross Stores, Inc., a Delaware corporation;

(2) Ross Dress for Less, Inc., a Virginia corporation;
(3) Doe 1; and
(4) Does 2 through 20, inclusive.

The title on the portal. The public case portal, printed September 8, 2026, shows the case title as “Brendan Ngwa Nforbi vs Does 2 through 20 et al,” and lists the defendant party records in this order: “Does 2 through 20”; “Doe 1”; “Ross Dress for Less, Inc., a Virginia corporation”; “Ross Stores, Inc., a Delaware corporation.” Because the short title is generated from the first-listed defendant record, the Doe defendants — who are unidentified, unnamed, and unserved — now appear in the title of the case ahead of the two corporate defendants actually sued by name.

What I am asking for. I respectfully request that the Court (1) correct the case title in the register of actions and on the portal to “Brendan Ngwa Nforbi v. Ross Stores, Inc., et al.,” and (2) re-sequence the defendant party records to track the Complaint: Ross Stores, Inc. first, then Ross Dress for Less, Inc., then Doe 1, then Does 2 through 20. In a complaint, “the title of the action shall include the names of all the parties” (Code Civ. Proc., § 422.40), and California Rules of Court, rule 2.111(4) permits a short title on later papers stating “the name of the first party on each side, with appropriate indication of other parties.” The Complaint on file complies; I am asking only that the Court's record of it follow the same order.

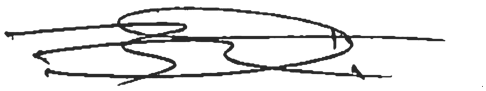

This is a records correction, not a request for substantive relief. I am not adding, dropping, substituting, or renaming any party, and the correction does not change the Complaint, the Summons, or any date on the Court's calendar. As of today no defendant has been served and none has appeared, so no party is prejudiced by the correction.

I would like this fixed before I serve Ross Stores, Inc. and Ross Dress for Less, Inc. through their agent for service of process, which I must do by approximately October 25, 2026. Papers that go out under a title naming the Doe defendants first invite confusion about who has actually been sued, and the same title would carry forward onto the proof of service, the case management statement, and every order in the case.

If the Court needs something filed in the case before it will correct the register of actions, I have a Notice of Errata prepared and will submit it the same day, in whatever form the Court prefers — e-filed notice, ex parte application, noticed motion, or a local form. Please let me know which. I would also appreciate written or electronic confirmation once the correction is made, so that I can serve papers bearing a title that matches the Court's record.

Thank you for your attention to this matter.

Respectfully submitted,

Brendan Ngwa Nforbi
