Good afternoon Mr. Newanforbi,

Thank you for your time during our recent call. As discussed, I represent Defendants Dodd and CDCR in the above referenced lawsuit filed in the Superior Court of San Joaquin County. Please see my contact information below for your reference.

As discussed, this matter was recently assigned to me and I am still in the process of reviewing pertinent case materials and evaluating possible defenses. I therefore need additional time to prepare a responsive pleading (and meet and confer with you regarding the filing of a demurrer). During our call, you indicated you would not oppose a 30-day extension of the current responsive pleading deadline (i.e. from July 22, 2026, until August 21, 2026).

With that being said, can you please let me know your availability to meet and confer via telephone on Thursday, July 30, 2026, in accordance with CCP 430.41? My schedule is open for a call between 8:30 – 10:00, and 11:00-4:30, but I can be flexible if that time frame does not work for you. Alternatively, please let me know a time we can meet and confer between August 10, 2026, and August 14, 2026. I will plan to file a request for a 30-day extension of time under CCP 430.41(a)(2) and advise the Court that our meet and confer efforts are ongoing. Thank you again for your flexibility under the circumstances.

Best regards,

Judith Gronna
