05/13/2026	60	MINUTES of Motion to Dismiss 3 held before Judge Serena R. Murillo. The motion hearing is held. Having considered counsels' briefing, oral argument, and relevant legal authority, the Court GRANTS Defendants Korn Ferry and Korn Ferry (US)'s Motion to Dismiss, Dkt. 3 . The Court GRANTS Plaintiff Ventura leave to amend his complaint. The First Amended Complaint must be filed on or before June 12, 2026. The Amended Complaint should be a redlined copy of the original complaint. This redlined copy must be emailed to chambers, preferably in a word doc format, upon filing the First Amended Complaint. The Court notes that Defendant Randstad Demurrer was not set for a hearing after this case was removed as required by this Court's Standing Order. The Court declines to hear this Motion until it is resubmitted as a Motion to Dismissed and in compliance with the Courts Standing Order and the Local Rules for the Central District of California. Defendant Randstad must submit this Motion within 21 days following Plaintiff filing on the First Amended Complaint. Plaintiffs Motion for Alternative Service, Dkt. 26 , is DENIED. Plaintiff Ventura is ORDERED TO SHOW CAUSE as to why Defendant Hirewell should not be dismissed without prejudice. Federal Rule of Civil Procedure 4(m) provides that a court, on its own initiative, "must dismiss the action without prejudice" if service is not effected "within 90 days after the complaint is filed, unless Plaintiff "shows good cause for the failure, then the Court must extend the time for service for an appropriate period." Plaintiff must submit a declaration providing details as to why he has not served Defendant Hirewell, including his prior efforts to effectuate service. This declaration is due on or before July 15, 2026. As an alternative, the Court will accept Plaintiff filing a proof of service that it served Defendant Hirewell with the summons and First Amended Complaint.
