Dear Brendan:

Welcome to the Pilot family! We are pleased to extend to you a contingent offer of employment for the position of Guest Services Leader with an anticipated start date of 12/15/2025. This offer is contingent upon receipt of a satisfactory background check and rehire eligibility, if applicable.

The terms of the offer are as follows:

Your starting base Hourly compensation will be $USD 24.00, payable as earned on a weekly basis. If overtime eligible, your overtime pay will be calculated in accordance with federal, state and local requirements.

- You will not be eligible to receive a merit increase until the next performance cycle.
- In order for any Bonus payment to be considered earned and payable, you must be actively employed and in good standing with PILOT at the time payment is issued.
- You will receive a one-time Gross Sign-On bonus of $USD 500.00 after 90 days from the start date of this role.
- **Health, Dental, and Vision:** Benefits are effective on the earlier of: (1) the 1st day of the month following or coincident with the 30th day of service (where the date of hire is treated as day 1); or (2) if the date of hire is the first day of a calendar month, then the 1st day of the second calendar month beginning after the date of hire. You should enroll in your chosen benefits as soon as you receive a benefits postcard in the mail, approximately two weeks after your hire date. You must enroll in your selected benefits prior to the day that you first become eligible to receive them.
- Information regarding Paid Time Off (PTO), Parental Leave, Life Insurance, and other special benefits are included in the Benefits Guidebook or PILOTco; eligibility and effective dates can differ by benefit program.
- **401(k) plan:** All Team Members who are at least 18 are eligible to participate in the 401(k) plan immediately upon hire. Principal, Pilot's 401(k) provider, will mail out information about the plan to your home address. About two weeks after your hire date, you will be able to create an account at Principal.com to make your contribution election to begin contributing. Pilot does not automatically enroll participants, so you must make an affirmative election. If you are participating, company matching contributions will begin 1 year after your original hire date and will be immediately vested. Pilot matches 100% of the first 3% you contribute, and 50% of the next 2% you contribute.

Pilot shall have the right to withhold from any amount payable hereunder any federal, state, and local taxes in order for Pilot to satisfy any withholding tax obligation it may have in respect to any applicable law or regulation.

This is an offer letter only and not an employment contract. Your employment with Pilot is "at will," that is, it can be terminated with or without cause, at any time by Pilot or by you. Accordingly, this offer does not constitute a guarantee of employment for a specified time period, but rather is an expression of Pilot's good faith intent to offer you employment subject to the terms and conditions detailed above. While employed at Pilot, you will be expected to

follow any and all company policies and procedures and may be required as part of your onboarding to sign any acknowledgements of these policies and procedures, as well as any additional agreements as they relate to your position, compensation, and/or benefits.
