Mon, Sep 14 at 6:51 AM

Welcome to TaskUs!🎉

Hello Brendan,

To get you started right, make sure to knock out these six key steps below as soon as possible. We're here to help make your onboarding process as smooth as can be!

1. Workday Onboarding Tasks (Immediate Action Required)

Log into your Workday_applicant portal and complete all assigned tasks immediately. Completion of these tasks triggers the creation of your system credentials and corporate email. Failure to complete on time will delay account setup and may impact your start date.

Note that the Welcome Message is your final task. Your application is incomplete until this is acknowledged. Before closing the portal, ensure all tasks are finished; the "To-Do" tab must show zero item.

2. Adobe Sign Documents (4 Documents Required)

We've sent your official job offer separately to your personal email via Adobe Sign for your review and signature. Check your inbox for an email sent via **Adobe Sign** containing **4 required onboarding documents**. Please review, electronically sign, and submit all documents immediately upon receipt.

If you encounter any issues accessing your portal or documents, please reply directly to this email for assistance.

3. I-9 Employment Eligibility Verification (Subsequent Step)

FADV (First Advantage) will email your digital I-9 invitation automatically once Workday tasks are complete. You must electronically sign Section 1 and assign an authorized agent (friend or family) to finish the form. Disregard the message from the system that says an authorized agent should be not related to you by blood or marriage.

Do not close the I-9 form without assigning an authorized agent. Your agent will then receive an email for Section 2, where they must provide your identification details, not their own.

Complete the I-9 form immediately upon receipt.

4. Background Check and Drug Test (Urgent Priority)

A single invitation for the background check and drug test from our partner, First Advantage (via **do_not_reply@fadv.com**), has

been sent to your personal email. Complete and submit the form today in one continuous session to avoid technical error.

Drug Test Reminders 🚨

To begin processing your drug test, submit your specimen at the testing center listed on your Screening Notification. Upon arrival, provide the QPassport/Barcode number found in your FADV Screening Notification.

Before leaving the facility, request a copy of the chain of custody form from the staff to verify your submission. Keep this form for your records.

Note that you cannot start your employment until the results are cleared; therefore, we strongly advise you to complete this step as soon as you receive the notification email.

5. Submission of Valid Driver's License

Please directly reply to this email with a clear, legible copy of your current in-state driver's license (front and back) and **confirm if you hold physical copy of your license.**

If you do not have a physical copy of your valid in-state driver's license, you cannot start until you have it in hand.

6. Google Onboarding Form

Please fill out the Google Onboarding form before your start date for your account provisioning.

Let us know if you have any questions.

Regards,

Talent Acquisition Operations Team - U.S
