Agreement grants the Individual the right to retain, distribute or commercialize any Proprietary Information. The Individual agrees that they will not in any way attempt to obtain, either directly or indirectly, any information regarding the Proprietary
Information from any third party who has been employed by, provided consulting services to, or received in confidence information from, the Company other than in relation to the Permitted Use.

4. Proprietary Information shall not be reproduced in any form except as required to accomplish the Permitted Use.

5. The Individual shall not disclose any Proprietary Information to any third party without the Company's express, written consent.

6. All Proprietary Information (including all copies thereof) shall remain the property of the Company and shall be returned to the Company after the Individual's need for it has expired, or upon request of the Company, and in any event, upon completion or termination of this Agreement.

7. Notwithstanding any other provision of this Agreement, disclosure of Proprietary Information shall not be precluded if such disclosure:

(a) is in response to a valid order of a court or other governmental body of the United States or any political subdivision thereof; or

(b) is otherwise required by law;

provided, however, that the Individual shall first have given notice to the Company and shall have made a reasonable effort to obtain a protective order requiring that the Proprietary Information so disclosed be used only for the purposes for which the order was issued or for such other legal requirement.

8. This Agreement shall continue in full force and effect for so long as the Individual continues to receive Proprietary Information. This Agreement may be terminated by either party at any time upon thirty (30) days written notice to the other party. The termination of this Agreement shall not relieve the Individual of the obligations imposed by Paragraphs 3, 4, 5 and 12 of this Agreement with respect to Proprietary Information disclosed prior to the effective date of such termination and the provisions of those Paragraphs shall survive the termination of this Agreement for a period of three (3) years from the date of such termination.

9. The Individual agrees to indemnify the Company for any loss or damage suffered as a result of any breach by the Individual of the terms of this Agreement, including any reasonable fees incurred by the Company in the collection of such indemnity.

This Agreement contains the final, complete and exclusive agreement of the parties relative to the subject matter hereof and supersedes all prior and contemporaneous understandings and agreements relating to its subject matter. This Agreement may not be changed, modified, amended or supplemented except by a written instrument signed by both parties.

12. The Individual hereby acknowledges and agrees that in the event of any breach of this Agreement by the Individual, including, without limitation, the actual or threatened disclosure or unauthorized use of Company's Proprietary Information without the prior express written consent of the Company, the Company will suffer an irreparable injury, such that no remedy at law will afford it adequate protection against, or appropriate compensation for, such injury. Accordingly, the Individual hereby agrees that the Company shall be entitled to specific performance of the Individual's obligations under this Agreement, as well as such further relief as may be granted by a court of competent jurisdiction.

13. The parties' rights and obligations under this Agreement will bind and inure to the benefit of their respective successors, heirs, executors and administrators and permitted assigns.
