Dear Accurate Background Disputes Team,

I am writing to dispute the accuracy and completeness of information in my consumer report and to request my complete file.

Report identifiers:

- Consumer: Brendan Ngehsi Newanforbi (shown on the report as "Ngwa Nforbi, Brendan Ngehsi")

- DOB: as shown on the report

- Order / Reference #: 496623722

- Requestor: Amazon (shown as "Amazon HVH" on the report and "Amazon Salesforce" on the notices)

- Ordered: 07/07/2026; report completed/updated: 10/14/2026

Under 15 U.S.C. § 1681i and California Civil Code § 1786.24, I request a reinvestigation of the following items.

1. Alias "NGWA NFORBI, NEWANSORBI" labeled "Provided by Applicant" (Consumer Report, page 2)
This entry is inaccurate. I never provided the name "NEWANSORBI," it is not a name I have used, and I do not know where it came from. The report attributes it to me and searches under it in every jurisdiction (pages 4–11). Please (a) delete this alias from my file and report; (b) correct the "Provided by Applicant" attribution; (c) tell me in writing the source of this name; and (d) identify every search that was run under it.

2. National Sex Offender Database Search, Search ID 496623723, "NO RECORD FOUND," completed 07/07/2026 (Consumer Report, page 10)
I dispute this result as inaccurate and incomplete, because it does not reflect what a reasonable search under my identifiers returns. Other consumer reporting agencies that searched under my name and date of birth returned a California registry record: InfoMart (ordered the same day, 07/07/2026), Checkr (four reports, December 2025 through October 2026), HireRight (May 2026), and First Advantage (July 2024). Unlike every other search on the report, this one does not list the names searched, the identifiers used, or the database searched. Please reinvestigate how this search was performed and disclose (a) the names and name-field order searched; (b) the identifiers used; (c) the source database or registry searched; and (d) the date and time the search was run.

Request for complete file
Under 15 U.S.C. § 1681g and California Civil Code § 1786.10, please provide my complete file, including all information in my file and its sources; every version of this report and the date each was furnished; the identity of every recipient of a report on me; the intake data received for this order, including the names and aliases as submitted; and the disclosure and authorization forms relating to this order.

Please send the written results of the reinvestigation to me at this email address, and send a corrected report to Amazon and to any other recipient of the report.

For your awareness, I am a party to pending litigation involving Accurate Background and Amazon in the U.S. District Court for the Northern District of California. This letter is a consumer dispute and file request under the FCRA and ICRAA.

Thank you for your attention to this matter.

Regards,

Brendan Ngehsi Newanforbi
