Good morning, Mr. Newanforbi,

We have no objection to you asking the court to make an administrative correction to your name, assuming that is what you anticipate asking. I am not sure, however, whether the court would approve a stipulation to change your name for this case, especially if the new name is different from your legal name. Since we are scheduled to meet and confer this afternoon at 2:00 p.m., I propose we also discuss this issue at that time. If you have a stipulation prepared, I am happy to review it prior to our meeting. Of course, we would need to review the actual stipulation before agreeing to it.

You don't often get email from bnn.cdl@gmail.com. Learn why this is important

Mr. Van Dine,

I write under Civil Local Rule 7-11(a) before filing an administrative motion, to ask whether you will stipulate.

I am one person. This docket identifies me as "Brendan Ngehsi Newanforbi." My PACER account (bngwanforbi) records my first name as "Brendan" and my last name as "Ngwa Nforbi." Because the two do not match, the CAND ECF Help Desk advised me on September 1, 2026 that it cannot link this case to my account, and that the fix is to ask the Court to correct the name on the docket first.

The result is that I cannot e-file in this case and must file on paper.

I intend to ask the Court to state my name on the docket as "Brendan Ngwa Nforbi." The request changes nothing else: no party is added, dropped, or substituted; no claim or allegation is amended; no deadline moves. Rule 25 is not implicated, because I am the same person before and after.

Would you stipulate? If so, I will prepare a short stipulation and proposed order for your signature. If you would rather I proceed by motion, or if you oppose, please tell me so I can state your position accurately in my Rule 7-11(a) declaration.

Thank you.
