Brendan,

Congratulations on accepting your offer with Best Buy! As you know, the next step in the process is for you to complete a Drug Screen, as outlined in your offer. This email is to inform you that your Drug Screen has been successfully ordered and **an email has been sent to brennforbi@gmail.com providing you detailed instructions** on how to complete that process.

If you do not have that email (within 2 hours), please follow these steps:

1. Check your Junk/Spam folders (at the following address brennforbi@gmail.com) for an email from First Advantage
    - FROM: First Advantage Corporation Reporting Service (FADVReports-NoReply@fadv.com)
    - SUBJECT: First Advantage Corporation: Brendan Ngwa Nforbi Best Buy Drug Test
2. If you cannot find the email, please reach out to the following address to request a copy of your email daisy.calvary@bestbuy.com.
3. If they cannot provide a copy, please reach out to the Recruiter or Best Buy employee who delivered your offer immediately to determine next steps, as the completion of the Drug Screen is time sensitive.

Thank you for your cooperation in completing this process.

Sincerely,
Best Buy Human Resources
