Re: **Newanforbi v. Amazon.com Services, LLC, et al.** — N.D. Cal. No. 3:26-cv-09249-ASK

Accurate Background LLC — signed counterpart and notice that you may not affix my signature

Ms. Stanzick and Mr. Drury:

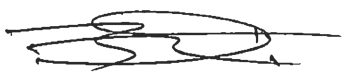

I am the plaintiff, in pro per, in Newanforbi v. Amazon.com Services, LLC, et al., N.D. Cal. No. 3:26-cv-09249-ASK. This letter follows Mr. Drury's September 1, 2026 e-mail attaching a draft stipulation and asking for my consent to file.

The extension is acceptable: Accurate Background LLC only, through and including September 22, 2026. It does not extend Amazon.com Services, LLC.

I do not authorize you, Seyfarth Shaw LLP, Accurate Background LLC, or anyone acting for them to apply, reproduce, affix, or file my signature — including a conformed "/s/" — on this paper or on any other paper. I respectfully ask that you not request that again.

The draft you circulated already carried a conformed "/s/ Brendan Ngehis Newanforbi." My middle name is Ngehsi. I had not signed that paper. I have signed the enclosed counterpart myself. Please file that counterpart. Leave my signature block blank on any version you prepare. Electronic service remains bnn.cdl@gmail.com. Please confirm by reply when the counterpart is on file.

Respectfully,

Brendan Ngehsi Newanforbi
