YOUR FIRST DAY

What to Bring

Documentation: Federal law requires us to verify that all new hires are authorized to work in the United States by completing Form I-9. (In some states we also use E-Verify.) Refer to this list of ***Form I-9 Acceptable Documents***, which lists the various documents you may use to establish identity and employment authorization. Please review this information and bring your choice of original Form I-9 documentation with you to onboarding. Be sure to provide the required documentation promptly, or we won't be able to complete your employment.

Direct Deposit: The easiest and fastest way to receive your paycheck is to have it deposited directly into your bank account. Bring your bank account and routing number with you on your first day so you can designate where to deposit your pay. You can find your account and routing number on your personal check or in your banking app. If you need help finding your account and routing number, please contact your banking institution prior to your first day. You may also choose the Skylight Program to access your full pay with no bank account - and no fees. The Skylight Program also gives you access to Skylight Network Checks. You can request a Skylight card in the location on your first day.

What to Wear

At Macy's, Inc. we always want to make a great impression on our customers. Please dress appropriately in professional attire for your first day. You can view our dress code for **Macy's** by clicking this link.

Background Check: This offer may be contingent on the satisfactory completion of all post-offer, pre-employment screening, including criminal history screening, before beginning employment. Should there be an unreasonable delay in receiving the results of your criminal history screening, the Company may allow you to begin employment pending the results of the screening. Please note, however, that if this occurs, the Company reserves the right to end your employment should the results of the criminal history screening, once received, be deemed job-related following an appropriate review.
